

Large Turnout Expected in City Court Election

Schuman Challenges Opponent's Residence Term; Calvo Replies

Keen interest in Saturday's city court election is expected to bring out a large number of Granite City voters, and interested parties are predicting 7000 or more votes, nearly the number in the recent school board vote. A city judge and clerk of the city court are to be elected.

Prime contest is between City Judge Fred P. Schuman and Calvo, who is seeking election in his first full six-year term, and Horace L. Calvo. So far, the pre-election campaign has been dotted with lawsuits and motions in the circuit court, and this week Schuman challenged his opponent's residence.

Calvo's lawsuit of last week, asking the circuit court for a declaratory judgment on the "inconsistency" of Schuman holding the job of city court judge and attorney for the levee district, was dismissed on Tuesday by Circuit Judge Harold Clark, who said a quo warranto suit instead of a declaratory judgment would be the more proper legal remedy.

Lawsuit Dismissed
Judge Clark ruled in favor of Schuman's motion after taking the case under advisement from late Monday afternoon until 11 a. m. Tuesday. He dismissed both the original complaint and the amendment to the complaint.

Calvo, who is in the firm of Chapman, Calvo & Felfo, told the press he has written ten letters to State Atty. Dick H. Mudge and Atty. Gen. La. Castle at Springfield asking for quo warranto proceedings against Schuman to challenge his eligibility to hold simultaneously the office of city judge and attorney for the levee district. He said he also intends to file an appeal to the state supreme court on Tuesday's dismissal of his complaint.

Attorneys for Schuman said this week information has been obtained that Calvo was a registered voter in St. Louis from September 1956 to July 1958, and the question whether Calvo is qualified for city judge under the state constitution and state statutes.

In quoting the constitution, Schuman said a judge candidate must have resided in the state five years "next to and next to" election and be a resident of the circuit, county, city, cities or incorporated town in which he shall be elected." He added that the Illinois Courts Act requires judges of city courts to qualify for duty "next to and next to" procedure as circuit judges.

Born in Chicago
Calvo said today he was born in Chicago, attended public schools in Illinois, secured his pre-legal education at the University of Illinois, entered the armed forces from Illinois and was "absent only for military service in the U. S. Army, both in this country and overseas, and while attending St. Louis."

Paper To Compile Election Returns

Returns will be compiled by the Press-Record for Saturday's city court election in Granite City. Poll judges are asked to bring the vote totals to the Press-Record at 7 a. m., 2000, and results of the election will be reported to the public. Since the polls close at 6 p. m., the trend is not expected to be known until after 7 o'clock.

4 Firms Submit Low Bids On 5 School Projects

General Contracting Co. of Granite City was the low bidder Tuesday night on two projects which call for demolition of the old buildings at Blair and Harris school sites in Madison, plus necessary grading, filling, sidewalks and paving of school playgrounds at the new Blair and Harris schools. Bids on these and three other school improvement projects were opened by the Madison Board of Education during a special meeting.

General Contracting submitted bids of \$27,615, including the rates, on the Harris school project, and a bid of \$18,650 for Blair school.

Other contracting firms bidding on the Harris and Blair jobs were C. H. Steenberg and Co., \$28,916 and \$19,576; L. Wolf & Co., \$28,923 and \$23,000; and J. W. Wolfe & Co., \$49,870 and \$24,660. The square yard cost of omitted work is to be deducted from the total bid.

Dunbar Brickwork
Successful bidder on the Dunbar school annex brick veneering project was C. H. Steenberg and Co. with a bid of \$12,846. Other bids were \$13,240 from M. H. Wolfe, \$24,390 from General Contracting and \$15,931 from L. Wolf.

Contracts for these three projects are to be awarded to the low bidders in the near future, while two other contracts, for the replacement of the wood gymnasium floor at Madison Junior high school and the other for cutting and sidewalks at the Madison senior high school athletic field, are to be bid in the near future.

Additional money in the school district's building fund. Low bid for the gym floor replacement was M. H. Wolfe at \$9,290. Other bids were \$9,862 from General Contracting and \$6,603 from Depoliz Construction Co. and \$6,603 from General.

\$72,444 Total
Total of low bids on all five projects is \$72,544, plus architect's fees. The school board also opened the bids on new furniture for the Blair and Harris schools, which are scheduled to open in September.

Total bids were \$16,944 from Blawie, Widelity Co. and \$18,000 from Buxton and Skinner, but the board selected low bids for separate items of school furniture. Buxton and Skinner awarded an \$11,805 contract to Buxton Skinner, and a \$1105 contract to Blackwell Widelity.

21 Precincts For Saturday's Election

(Map on Page 37)
Polling places for Saturday's city court election in Granite City will be open from 6 a. m. to 6 p. m. at 21 different locations. The election to name a city judge and clerk of the city court for six-year terms is being conducted with the city's voting precincts rather than the county's 24 precincts which were used in the April 12 primary, and the county lists the boundaries of the city voting precincts and the polling places in each one.

In many instances, Granite City voters will find their precinct number given on their county voters' registration card will not correspond to the city precinct number, and for that reason,

Agreement Will Allow W Pontoon Paving To Proceed

An agreement was reached today between parties owning or having option to land on the north side of West Pontoon road, making it likely that construction of a 44-foot-wide, four-lane concrete highway can be carried out on schedule this summer.

The county highway department hopes to award a contract for the \$150,000 project by July 15.

Attorney Maurice Dalley, who has assisted in negotiations between the owners of the land with option to develop a residential subdivision, told the Press-Record today that the county is being notified of the agreement.

Approval of the owners, realtors and development firm is necessary in order for land to be sold to the county to expand the present 40-foot right-of-way to 80 feet, a state requirement for use of motor fuel.

A 20-foot strip of land on the northern side, totaling one and a quarter acres, is the last needed by the county in order for the highway construction to proceed. The strip is owned by J. J. Hart, assistant county highway engineer. The county's price offer was accepted by all, and the contract on the option for the tract resulted from financial talks among the parties themselves.

The highway, improving access to prime industrial sites east of the Chain of Rocks Canal, will extend from Route 67A to the western line of the Melrose Addition. The section of West Pontoon between there and Nameeki road, including the Melrose Addition, is in the city of Granite City.

Harris To Seek Amendment of Levee Board Law

State Rep. Lloyd C. Harris, who introduced a bill Tuesday to the special legislative session, will ask the Legislative Reference Bureau to prepare an amendment requiring that the most populous county have no more than two trustees on a five-member bi-county levee board.

Such an amendment can meet legal requirements and can gain approval, Harris predicted in a talk before the Granite City Democratic club last night. He said it will be one of the first bills that he will introduce at the 1961 legislative session, if he is re-elected in November. It would repeal Madison county's present lack of representation in the East Side and Sanitary District board, he reported.

James Worthen, president of the club on his efforts to obtain legislation for an election on city trustees for the levee board. City manager James Worthen said that city officials, including Mayor Dick H. Mudge, are planning to vote to elect city officers at the next year at the May meeting.

Nearly 300 Entries In Census Contest

The Press-Record's 1960 "Census Guessing Contest" closed at midnight last Monday with nearly 300 entries received from Quad-Cityans. Only one entry was received after the midnight deadline. It was postmarked 6 p. m. April 28 and has been discarded.

The entries are now being processed for quick announcement of the \$300, \$50 and \$25 prizes. The contest winners are announced from the General Bureau Office in Washington, D. C. The official announcement is expected either in May or early June.

32 DAYS WITHOUT TRAFFIC DEATH

Granite City's 32-day streak without a traffic death was broken today by a fatality on the 21st precinct. The accident occurred on the intersection of State and 21st streets, extending east to an imaginary line of Lee avenue. The accident occurred on the Granite City Steel Co. plant, the south city limits. Poll, Levee

Surveying, Map-Making Underway For Sewer Project

Preliminary survey work for Granite City's proposed main sewer and drainage program is well underway at the local office of the engineering firm of Sheppard, Morgan & Schwaab, which was learned from J. J. Hart, assistant county highway engineer. The county's price offer was accepted by all, and the contract on the option for the tract resulted from financial talks among the parties themselves.

Survey teams are taking measurements and gathering information on present drainage and capacity. The work is being carried out by men are preparing new, comprehensive maps of the city to be used for an aerial photograph.

Juneau said aerial photographs were made last week, and the mapping is being carried out ready when the aerial photography firm completes its development and printing.

Once all data is compiled on the present sewer facilities and capacities, planning will begin for planning solutions to the city's sewer and drainage problems.

Doors Damaged At Lincoln School; Thefts In Area

A burglar damaged doors at the Lincoln school in Venice yesterday but took nothing of value, despite gaining access to much of the school equipment. The newly Lovejoy school of Brooklyn, set after by an adult arsonist, was burning at the time.

Local authorities theorized that the Lincoln school was entered by breaking the glass in a window. The doors were damaged and the school equipment was not an isolated case. They believe that the Lovejoy school was the target of "political revenge," following this year's school board election, and that the Lincoln vandalism was carried out merely to confuse police.

The fire was reported at 3:45 p. m. in Venice at 4 p. m. Monday. The fire was started on the Lincoln damage was made at 4:30 a. m. Entrance was gained by breaking the glass in a cafeteria door, and doors to a storeroom, gymnasium and cafeteria refrigerator were forced open. An estimate of the damage has not been made.

Between \$3 and \$4 in pennies, several bridge tickets and a number of trading stamps were stolen in a burglary at Brandeis service station, Nidringhaus avenue and railroad tracks downtown, watched by a man. The money was stolen from the cash register.

Entrances were gained by forcing a rear window. Three men were apprehended by Venice police for questioning after apparently attempting to remove a metal beam from grounds of the Union Electric Co. in Venice at 4 p. m. Monday. The power firm has not yet decided whether to prosecute.

A chain hoist with a 11-foot aluminum chain block was stolen off a "22" frame at the Simmons Venice health in Venice. The hoist was used to haul railroad tracks over the past weekend, according to a report filed Tuesday morning to Granite City police Tuesday by Earl W. Wason, 2613 East 28th street.

Demos Name Simmons, Scent Victory; Gehring Heads GOP

Preparing for possible resumption of state patronage if their party wins the November Governor or secretary of state races, Madison county Democrats Monday night elected Walter T. "Black" Simmons, 42, of 1028 Third street, Venice, as their county chairman. Wilbur H. Gehring, 61, Edwardsville, was chosen as Republican chairman.

Re-elected last week as head of Democratic committeemen in Venice township, Simmons led in the first ballot with 10,156 votes, based on the number cast each precinct in the April 12 primary election. Mayor William H. Jenkins of Wood River was runner-up with 9496, Harold J. Hillmer of Granite City was third with 7305 and Leonard Schwartz of Edwardsville was fourth with 1565. Joseph C. Valva of Granite City also was nominated as Democratic vice chairman.

Jenkins was regarded by Quad-City party leaders as the candidate to make it appear that the Democratic party leader, prompting most of them to join forces after Monday's first ballot. Hillmer was elected to the position in the event of a landslide and Edwardsville and to a lesser degree from Alton, they elected Simmons by acclamation.

2 Women Hurt In Crash; Boys On Bikes Injured

Two women were injured yesterday afternoon in a collision on Fehling road, a short distance west of the Namook road intersection. The auto of Miss Judith Geisert, 20, of 1709 Venice avenue, was knocked across the street into a utility pole, police said.

The other driver, Mrs. Marilyn A. Frith, 18, of 2556 Edison avenue, was charged by police with following too closely. Both women were taken to St. Elizabeth Hospital by ambulance for emergency treatment.

Miss Geisert, an x-ray technician at the hospital, was treated for abrasions to her face and limbs to both legs. Mrs. Frith suffered a cut to her chin, a cut inside her mouth and three lacerations to her hand.

Police said both vehicles were traveling west on the road, and were slowed down as they stopped in the traffic lane.

Minor injuries were suffered by a seven-year-old bicyclist who was riding north on the sidewalk along 20th street and was involved in an accident with a truck owned by a driver from Madison. The boy was taken to St. Elizabeth Hospital for treatment for abrasions to his chest.

There was minor damage to the truck and to the bicyclist.

Police said the auto was being driven north on the alley by Marvin L. Wallace, 17, of 2916 Madison avenue, while the boy was riding west on the sidewalk.

Another boy riding a bicycle who was injured was yesterday morning in an accident with an auto being backed out of the driveway of the 2000 block of Edison avenue, the boy, Eugene Tondre Jr., 13, of 724 Twenty-third street, was taken to the hospital for cuts to two fingers on his right hand, which struck a light on the auto.

Police said the auto was being operated by Raymond L. Henley, 41, of 2512 Cleveland blvd., and the boy was riding south on the sidewalk. He was wearing a seat belt and was taken to the hospital and was on his way to a store to buy notebook paper.

Undergoes Surgery
The following are recovering at St. Elizabeth Hospital after surgery which they underwent Sunday: James Harmon, 4011 North street; Edna Hoff, 3030 Riviera drive; Robert Bain, 4556 Water avenue; Robert Stuyvesant, 628 East Chain of Rocks road.

New Madison Fire Truck May Lower Fire Insurance Rate

Madison may have the lowest fire insurance rates in the Quad-Cities when a recently ordered fire truck is ready for use, the Press-Record has learned from Fire Chief E. J. Miller.

Equipment on the new truck features a 250-gallon-a-minute pumper, compared to the present truck's 50 capacity. The improved pumper may be a factor in placing the city in a "five" classification instead of "six" when underwriters, acting for the Illinois Inspection Bureau, examine the truck and department.

The bureau, a governmental agency, sets fire insurance rates according to the city's fire fighting equipment, the efficiency of the personnel and other factors, such as the number of firemen for the total population and the number available at a fire.

A few years ago, the bureau said that with the addition of a more efficient pumper,

County Relaxes Bid Rule; Haller Starts 28th Term

The Madison county board of supervisors, adopting new rules at its annual organization meeting Monday, voted to authorize purchases of up to \$500 without competitive bids. The previous limit was \$200.

The change was one of two made as rules were adopted. The other new rule calls for election of a permanent rules committee to the existing standing committees.

The proposals were submitted by a temporary rules committee named by Gus Haller following his election to a 28th consecutive one-year term as chairman of the board. Charles Werner of Nameoki township, Arthur W. Moore of Venice township and Fred Grenzsbach of Wood River township served on the committee.

On Board 43 Years
Haller, who is 76 years old, is an assistant supervisor of Wood River township. He served on the county board for 43 years as a supervisor or assistant supervisor, first joining the board in 1913 and serving continuously except for a four-year interval. In a brief address in which he thanked the 44-member board "for this renewed expression of confidence," Haller said, "It is reassuring to consider that the county is out of debt. Its administration can be financed through the year ahead even if some of the risks of today should turn out adversely."

"Many of the uncertainties of a year ago have been resolved. This is in high contrast to the days of the '30s through which we struggled, when its treasury was empty, its obligations piled up, its credit vanished and its warrants selling at a fraction of face value."

Haller had presided for the concluding session of the board, which adjourned and re-convened. Jarvis Township Supervisor Harry Taskie served as temporary chairman prior to Haller's nomination by the board. Assistant County Clerk W. Hirsch, Alton Supervisor Stephen Kennedy moved that nominations be taken ahead, and Haller was elected by acclamation, with County Clerk Eulalia Hotz casting the tie-breaking vote in favor of the board.

\$25,075 Liquor Fees
Earl Herrin of Edwardsville, reporting for the liquor license committee, said the county had received \$25,075 in liquor license fees for the year through March.

The March grand jury's criticism of the county jail sanitation, paint and lights was attacked by some board members with such comments as "We're doing the best possible with the available money."

A discussion developed over proposed granting of a 10-year lease to an individual for erecting a gasoline service station on county property in Rosewood Heights, at Airline drive and New Cottage Hill. Several members opposed charging only \$300 a year, but the proposal was adopted after it was brought out that the county eventually will gain 10 feet of adjoining property and that the area will be blacktopped by the lease.

The board recessed until 10 a. m. May 18.

Granite City Local To Sponsor Convention

Over 350 federal employees will attend the 27th annual Illinois Federation of Federal Employees Convention at the Hotel Stratford in Alton May 20 and 21, according to Kenneth Kahney, president of the local union, 770 of the Granite City Engineer Depot.

Delegates will come from all over the state to attend the two-day affair. It will end with a banquet Saturday night at the hotel.

The delegates will discuss mutual problems and will elect officers for next year. The current president is Benjamin Milbrandt of Rantoul, vice-president is Merle Harper of Grant City and secretary-treasurer is E. D. Strickland of Rantoul.

Elmer L. Corbett, 51, Dies In St. Louis

The brother of Mrs. Myrtle Forehand of Madison, Elmer L. Corbett, 51, of St. Louis, died at 12:37 a. m. Wednesday at City Hospital, St. Louis. He had been suffering from a liver ailment for three years.

Born in Black Oak, Ark., Mr. Corbett lived in Madison for five years before moving to St. Louis seven years ago. He was employed as a machinist by a St. Louis firm.

Mr. Corbett also is survived by two sons, two daughters, three brothers and two sisters. Funeral services will be held at the Elco III, Baptist Church at 2 p. m. Saturday with interment in the Provo Cemetery in Elco.

Car Windshield Broken

Charles W. Owen, 47, Bridgeton, Mo., notified Venice police at 8:45 a. m. Wednesday that as he was driving east on the McKinley Bridge, gravel fell from a truck and broke the windshield of his car. He said the mishap occurred near the Missouri side of the bridge where the truck was being loaded on connection with bridge repair work.

Post Office Dept. Offers \$3900-Year Lease For Tract

Due to oversight, the lone bid for lease of a section of the city-owned block on Madison avenue for a new post office building was not presented to the Granite City council Monday night. It is to be submitted next week.

The bid, offering \$3900 a year for lease of the lot, was from the Post Office Department regional real estate office at Chicago.

Under the proposal the Post Office Department would lease the 61,500 square foot tract from the city and then sublease it to a firm, corporation or individual for construction of a suitable post office structure to be leased back to the original lessee for a minimum period of 20 years.

Calhoun County 'Apple Sunday' To Be Observed

'Apple Sunday' will be observed Sunday in Calhoun county when apple orchards are expected to be in full bloom, according to J. B. Harmon, secretary of the county apple advertising club.

Welcoming committees will be on hand to greet visitors and distribute pictorial folders and maps at a lunch which will be served at St. Anselm's Church in Campville. In the evening a dinner will be served for visitors at St. Matthew's Church in Brussels.

6400 Local Fair Tickets

Over 6400 tickets were sold in the Uniwah Boy Scout district for the second annual Cahokia Mound Council scouting fair held this month in Venice, a tabulation showed this week. Top salesmen will be announced after all unit reports are received in the scout office. Reports also are being assembled for other districts of the council.

175 Vacancies In GC Sports Camp

Approximately 175 additional Granite City boys, aged eight through 13, are needed to fill vacancies in the Granite City park district's first Summer Sports Camp, held at Brown park district recreational director, has announced.

Registration for the camp will close Thursday, May 5. The camp will begin June 13, and close Aug. 5, and is divided into eight sessions of one week each. Fee for attendance at any one-week session of the camp is \$10, and Brown said boys may attend more than one session.

Activities listed for the camp include baseball, basketball, foot-

ball, bowling, swimming and roller skating. Participants will receive qualified instruction in each of the sports from one of three instructors retained by the park district for the entire camp. Brown added.

They are Joe Fedora, Granite City high school baseball coach, baseball; Conrad "Babe" Champion, basketball coach at Central school, basketball; and Glenn "Skip" Hastings, physical education instructor at Frohhardt school, football.

The instructors also will supervise the swimming, bowling and roller skating programs, plus a youth physical fitness program to be offered one morning each week.

The camp will be an all-day

Old Milwaukee In SIPBA Roll-Offs On Saturday

Old Milwaukee, which dropped its last 10 games in succession and lost the Southern Illinois Bowling Proprietors' Traveling league bowling title to the Alton Falstaffs in the process, will meet the league champions in the first block of the SIPBA post-season roll-offs at 6 p.m. Saturday on the Touchette Lanes in East St. Louis.

The Granite City legions, who appeared to have the league title sewed up as much as three weeks ago, dropped three straight to the defending champions and finished the season in second place with a 60-36 record. The Falstaffs were 62-34. Prize money totaling \$800 is up for grabs in the round-robin roll-offs, with \$300 going to the winner, \$230 to the runner-up, \$165 to the third place team and \$105 for fourth place.

The four top finishers during the regular season — Falstaffs, Old Milwaukee, Belleville Carlings and Collinsville Busch Bavarians — are eligible to compete in the post-season games.

Other Block One pairings include Stags vs. Busch, In Block and Bowling Shoes will be furnished at no charge, and boys also will receive a sports camp T-shirt.

Brown has set a goal of 40 boys for each week the camp is in operation. An application blank for the camp may be found elsewhere in today's issue.

STOPWATCH IN HAND, Fred McCollegan (left) YMCA swimming team coach, gives last-minute pointers to Cookie Barker and Terry Keaton, members of the YMCA team which will engage Alton YMCA swimmers in the local pool at 1 p.m. Saturday. The meet is open to the public.

175 Triplicate By Woman Bowler Tuesday

Mrs. Loretta Hyla rolled three games of 175 pins each Tuesday night in the Women's

Independent bowling league on the Madison lanes to qualify for the WIBEC triplicate award.

The league title went to Hundley Pontiac, which had an 84-24 record. Second place was won by Rogers Roofing with a 76½-30½ record. Hundley Pontiac shot the season high single and series of 911 and 2388 pins while Dorothy McMullen had scores of 255 and 651 for individual games.

Coolidge Baseball Team Down Madison Freshmen 6-3

Coolidge's baseball team scored all its runs in two innings to down the host Madison freshmen squad 6-3 Tuesday afternoon.

After Vince Marsalla put Madison ahead in the bottom of the first inning by tripling and scoring on a fielder's choice, the Braves went ahead to stay in the top of the second on clutch hits by Jim Cavanaugh and Charles Fapp that scored three runs.

Three insurance runs came in the top of the fourth when Cavanaugh tripled in two runs and scored on a fielder's choice.

Madison scored its last two runs in the seventh when Marsalla singled in two runs with the bases loaded.

Ferry Tyson pitched for Coolidge and allowed four hits while striking out 12 batters. David Schoofield and Mick Gravelle shared pitching chores for Madison and allowed six hits.

Granite City JV's Use Edwardsville Willness To Win 6-5

Granite City's junior varsity baseball team marched around the bases, scoring six runs in the fifth inning on only one hit, as the Warriors noosed out Edwardsville 6-5 on the loser's diamond Tuesday.

Six Tiger pitchers took turns walking Granite City players and in the wild fifth inning eight Warriors were given free passage to first base.

With two out and the team trailing 5-0, the Warriors began their walk around the bases. After Vic Buchler, Larry Melton and Larry Corey walked, a wild pitch allowed Buehler to score. Roger Hotsen walked, again filling the bases, before Pat Schuman, Grant Takmjan, Roger Ottmeyer and Tony Mance each walked. Steve Schardan broke the spell and singled in the final run in the inning.

Larry Peppers started for Granite City. After allowing two hits and three runs and walking two, he was taken out before anyone was retired in the first inning. Ed Williams pitched the rest of the game and allowed five hits and two runs, while striking out 11 batters.

Edwardsville was blanked after getting three runs in the first and one each in the second and third innings. The Warriors finished with five hits and two errors while the Tigers had seven hits and no errors.

Roxana Wins Own Relays; Trojans Gather 15½ Points, Finish Fifth

Roxana's Shells, running true to pre-meet predictions, had enough team strength to overcome Cahokia in the second annual Roxana Relays Tuesday afternoon. The Shells outscored Cahokia 84 5/6 to 26½. Madison high school finished fifth in the eight-team meet.

The Trojans gathered 15½ points to follow in the 100-yard and Western Military Academy of Alton (29 1/6) in the final standings. Triad high school and Roodhouse tied for sixth with 13½ points each, and Gillespie was eighth with 9½.

Ken Griggs turned in the best performance of the day for Madison, tying for third place in the broad jump with a leap of 20 feet, two inches. Griggs also finished third in the 100-yard dash, while teammate Carl Drayton was fourth in the same event.

Madison's distance medley team, made up of Griggs, Ed Walker, George Russell and Ray Coleman, finished fourth in 8-42.1. The medley is made up of a 220, 440, 880 and mile.

Teams finished unusually close in the 800-yard relay event. The Trojans' time of 1-38.8 was good enough only for fifth place, but just 22 seconds off Roxana's winning time. Carl Drayton, Griggs, Ed Young and Earl Ferguson made up Madison's entry here.

Madison picked up two more points in the mile relay, finishing fifth. Walker, Bob Ely, Leon Bland and Fred Becker ran for the Trojans, who shaved roughly two seconds off their opening meet performance in both of the relay events at Roxana.

Madison's next outing will be on May 3, when Charles "Bud" Mueller will enter the squad in the Madison County track meet at Wood River.

Warrior Net Squad Wins Again By 5-0

Granite City's tennis squad will host Collinsville at 4 p. m. today in Wilson Park, seeking its 18th straight dual-match victory. In the first meeting of the two schools this year, the Warriors easily downed the Kahoks 5-0.

Coach Dick Harmon's Granite City crew won its 17th on Wednesday by blanking Roxana 5-0 at Wilson Park. The Redmen have shut out four of their six opponents and have lost only two double matches.

Dave Moss, undefeated in three years of Southwestern Conference play, won easily over his Midwestern Conference opponent in the No. 1 singles, Bob Hobson, 6-0 and 6-0. Keith Veizer defeated Richard Spicer 6-2 and 6-1 and Mike Mundy beat Marvin Price 6-0 and 6-0.

In the doubles, Virgil Glessey and Max Prusak downed Doug Roe and Bill Luenning 6-4, 4-6 and 6-1. Roe and Luenning, No. 1 and 2 singles for Roxana, were placed in the doubles as a strategic move by the Shell coach in the hope of picking up points. Dave Thompson and Dave Rousseau won over Gene Losh and Wayne Cooper in straight sets, 6-4 and 6-1.

Warriors Win No. 12 In Madison; Host Kahoks In SWC Game Today

Granite City's Warriors, fast becoming the class of prep baseball teams in this area, added victory No. 12 to their string yesterday afternoon in Madison, defeating the Trojans 11-3 behind the three-hit pitching of Dave Dumoulin and Larry Diak.

Joe Fedora's Redmen collected only two extra-base hits, but both played a big part in the win. Rich Williams banged a two-run homer in the fifth and in the sixth inning, Bob Hottelk punched a two-run double to left-center.

Big Sixth Inning
Granite City scored seven runs in the sixth to break up a tight game, and did it on just three hits. Trojan starter and loser Frank Hildeg, whose side-wheeling deliveries had GC batsmen lifting pop flies for three innings, was the victim of fielding errors in the sixth as well as committed two errors and three passed balls were charged against him.

The Greenmen bunched all of their scoring in the fourth, getting three markers on two hits, and totaled just three safeties in the entire contest. Hildeg had two of the safeties himself, and Ken Griggs the third.

Fedora called Dumoulin's pitching the best by the right-hander this season. He tossed Larry Diak in the sixth, and the other pitched two innings of no-hit ball to wrap up the win. Madison Coach Francis Dant lifted Hildeg in the seventh, and Dan Trotts shut out the Warriors in the seventh.

Play Kahoks Today
The Warriors will meet tough Collinsville in what could be the showdown baseball battle in the Southwestern Conference this afternoon at Parkville, while Madison will take on Bethalto at home at the same time.

Next will start Sam George, while Fedora plans to go with either Joe Holder or John Rains against the Kahoks, who will counter with Fred Riddick.

Yesterday's report boosted Granite City's record to 12-1, while Madison fell to 4-5. Granite City's Don Dillard, regular third baseman, is a doubtful starter today after re-injuring his back during yesterday's game.

Country Day School Falls To Coolidge Tennis Team 3-2
In a battle of undefeated tennis squads, Coolidge downed Country Day school 3-2 in Missouri Wednesday afternoon. It was the 36th win in a row for the Braves and the first defeat in three years for Country Day.

The No. 1 singles match between Coolidge's Mike Barnes and Angus McQueen was a real battle that lasted two hours. Barnes won 3-6, 2-0-8 and 6-2.

Bill Logan defeated Country Day's Rusty Schapfleigh 6-4 and 6-4 and Bob Karandjef downed Ted Beer 6-0 and 6-0.

Country Day won both doubles matches. Bill Horwitz and Andy White defeated John Ode and Mike Mullen 6-3 and 6-3, and Bob and Jim Goldfarb downed the Braves' Bob Bischoff and Larry Tibert 6-0 and 6-1.

Bob Lancaster, Bill Kaseberg, Wayne Hancock, Terry Smith, Peter Kirchner, James Gansay, Richard McTasney and James Hower participated in exhibition matches for Coolidge.

W. Granite Resident Complains of Residue
Chemical tests are being made of a gritty residue which a West Granite resident said accumulated on his auto last Thursday and Friday while the car was parked in the driveway at his home.

Arthur H. Lewis, a salesman, of 2017 Bryan avenue, who lives almost within the shadow of Union Star Refining Co., said he is certain the gritty substance came from the plant, and is planning to present a petition with 148 signatures, circulated last summer, to Mayor Davis, asking the city to enforce its anti-flyash ordinance.

Coolidge 8th Grade Track Squad Loses To Collinsville

Coolidge's eighth grade track team could get only three first places and was downed by Collinsville 61.5 to 24.5 Tuesday afternoon on the Kahok track.

Chuck Weiss' Braves missed Jim Parker, who had to sit out of the meet because of a pulled hamstring. Parker had been favored in the 50 and 100-yard dashes and the broad jump, and his performances in earlier meets topped the winning marks set by Collinsville Tuesday.

The 50 was won in 6.3, and Parker had run the distance at 5.0; the 100 in 11.5, compared to Parker's 11.0; and the broad jump in 16-11, compared to 17 feet.

Gary Thornsberry won the 120 yard hurdles with a time of 16.3, Bob Pyle won the 220 at 27.3, Thorne, although no longer a committee member, was elected as chairman with the backing of retiring Chairman Charles Thomas, defeated in his precinct April 12.

New Madison Fire Truck

MORE ABOUT
The new fire truck should be ready for inspection, testing and eventual use by June, Miller said. The chassis and equipment are being assembled in Freeburg, where the Town Fire Equipment Co. is located. The Town's fire firm was low bidder for the equipment at \$7450.

The chassis, a 1960 Hill-Cab Ford with a 277-horsepower engine, will cost \$6500, Miller said. Buy Chassis From Fire Fund

The equipment of the new fire truck will be purchased by the fire company from receipts of the 2% fire fund. This fund is received from fire insurance companies, representing 2% of the premiums of insurance sold in the city. It is earmarked by state law for maintenance of fire equipment.

Coolidge Hurt By Errors in 8-2 Loss To Edwardsville

Defensive flaws and weak hitting contributed to Coolidge baseball team's 8-2 defeat at the hands of Edwardsville here Wednesday. The Braves committed eight errors and could get only one hit.

The Tigers jumped to a 2-0 lead in the first inning. After Coolidge scored a run on four walks in the third, the visitors clinched the contest with a four-run outburst in the fourth. Twice in the game, Coolidge throwing errors from the outfield led to runs.

The Braves collected their only hit in the last of the seventh inning when Bill Niepert singled to left field, scoring a run. The Tigers collected five hits and made two errors.

Jim Feldon and George Wilcox shared pitching chores for Edwardsville while Bill Lierman, Terry Kofahl and Perry Tayon pitched for Coolidge.

Rams Are Victims Of No-Hitter

Jerry Widman pitched five innings of no-hit baseball yesterday as the host St. Paul of Highland baseball squad dealt Lincoln of Venice a 13-0 defeat. The game was called at the end of 4 1/2 innings.

Eugene Cox started for Lincoln, gave up seven runs in three innings and was the loser. He was relieved in the fourth by Crawford, and St. Paul pushed across six more runs. The hosts had nine hits.

Lincoln will meet St. Paul here next Thursday.

GO! GO! GO! gestures Warrior Baseball Coach Joe Fedora (left) as he waves Rich Williams around third and toward the plate on Bob Hoffman's two-run double in the 6th inning of Granite City's win over the Trojans yesterday. Looking toward the outfield is Madison's third baseman, Sam Georff (right).

Pre-Game Ceremony

Mayor Leonard Davis and Southwestern Illinois Inter-City Baseball League Vice-President Marion Minks of Granite City will take part in pre-game ceremonies at 2:30 p.m. Sunday at Wilson Park as Sacred Heart opens its home season. They will make up a pitcher-catcher battery just prior to the game with Carpenter on Diamond No. 5.

SUPPER FOR ODD FELLOWS, REBEKAHS

A covered dish supper was held Tuesday evening at the Odd Fellows hall in Madison for members of the Odd Fellows lodge and their families and members of Delta Rebeekah Lodge 786 and their families in observance of the founding of Odd Fellowship. Forty were seated at the tables.

A meeting of Delray members was held immediately after the supper, with 21 members present. Mrs. Ruby Wood, noble grand, presided over a business meeting, at which time plans were made for a mother-and-daughter covered dish dinner May 10 at 6:30 p.m.

Donations were made by the members for the Odd Fellow home for the aged in Naton, Ill., to be used for a new heating and lighting plant. A donation also was made for the cancer drive.

Mrs. Lucille Veach gave a reading on "The Meaning of the Three Links," formed of "F" for friendship, "L" for love and "O" for truth. Miss Margaret Brown presented a reading, "A Stranger," which dealt with fellowship and friendship.

PHEBEAN CLASS MEETS

Mrs. Margaret Lee was hostess to the Phebean Sunday school class of the First Baptist Church in her home, 1527 Fourth street, Tuesday evening. Mrs. Frank Cravins was co-hostess for the monthly meeting. Plans were made for the members to attend a St. Louis radio program May 15.

The hostesses served refreshments to Mrs. Georgia Brown, Mrs. Birdie Hobbs, Mrs. Marge Purcell, Mrs. Ruth Hanzelink, Mrs. Jewel Ratliff, Mrs. Eula Lively, Mrs. Pearl Kingley, Mrs. Kenneth McDaniel, Mrs. Lucy Bond, Mrs. Veda Bolin, Mrs. Ruby Hall and Mrs. Othella Gaskewell. The next meeting will be held in the home of Mrs. Hannebrink, 1915 Fifth street, with Mrs. Hall as co-hostess.

FUNERAL OF CAFIN

Mr. and Mrs. Carl Catin were called to Anderson, Ind., due to the serious illness of his sister, Mrs. Maggie Fox, who passed away. The funeral services took place Monday, and Mr. and Mrs. Catin returned to their home, 1527 Second street, Tuesday.

SCHOOL HONORS MISS KORB, MRS. KENNISTON

A dinner was held Tuesday evening at the Madison recreation center by the Harris grade school personnel in honor of Miss Helen Korb, who will retire from her teaching service in May at the close of the school term, and Mrs. Mae Kenniston, who is retiring from her duties at the school after a long period of years.

Miss Korb has taught school in Madison for 30 years. She spent a number of years at the Louis Ely school in Madison before being transferred to the Harris school.

Seated at the guest table were Principal Mrs. Ray Dragich, Miss Korb, Mrs. Kenniston and Miss Anna Wilcox. The table was centered with a basket bouquet of assorted colored snapdragons, white daisies and carnations.

School personnel and invited guests attending were Mr. and Mrs. Oscar Francis, Miss Clara Funk, Mrs. Alma York and a guest, Mrs. Andy Civar, Mrs. Blanche Mesinger, Miss Margaret Booth and her sister, Mrs. Myrtle Booth, Mr. and Mrs. Carter, Mrs. Elva Smith, Mrs. Twila Garrett, Mr. and Mrs. Howard Johnson, Mr. and Mrs. Melvin Hildebrand, Mr. and Mrs. Harry Johnson, Mr. and Mrs. Dale Berger and Mrs. Harry Cook.

Miss Korb was presented with a gift, and Mrs. Kenniston was presented with a gift certificate. Dragich was master-of-ceremonies and also was presented with a gift.

LIBRARY CLUB PARTY

Miss Ellen Follmer, Madison high school librarian, held a party Tuesday afternoon for members of the library club and invited guests.

Games were played on the school grounds and refreshments were served to Sharon Nicholas, Kathy Bogreif, Connie Gaskewell, Joan Williams, JoAnn Sprulock, Karen Humphrey, Karen King, Charlotte Rickett, Sylvia Enseloff, Joan Weidner, Ann Hoiges, Carolyn Johnson, Mae Ella Barrett, Toni Phantz, Ronnie Hoover, Frank Hilde, Shirley Barton, Sam Georff and Don Hedden.

First outing for cub scouts of Den Three of Pack 90 was held Tuesday evening, the boys being taken to the police club by the den mothers, Mrs. Treva Williams and Mrs. Pauline Pinkley, assisted by their husbands, L. D. Williams and Harold Pinkley. Cubs enjoying the evening were Jack Montgomery, Ray Pinkley, Jimmy Scott, Ronnie Britt, Jimmy Parkape, Debbie Britt, Dale Williams and Harold Pinkley.

The Girls Auxiliary of the First Baptist Church met Monday at the home of the leader, Mrs. Wayne Walton, 1823 Sixth street. A missionary meeting was conducted on "The Gift That Goes Traveling." The meeting opened with prayer by Sandy Wood and was closed by Karen White. The girls worked on auxiliary forward steps.

Schaefer Wins In Bowling Tournament

Pleads Guilty To Two Holdups In City

Guilty pleas and an application for probation were entered Monday in the circuit court at Edwardsville by Albert M. Payne, 25, of Cottage Hills, who was captured in Granite City after staging a second armed robbery here last January.

Payne pleaded guilty on two counts of armed robbery and robbery, stemming from two holdups within a 15-day period at LeMaster's confectionery, 2165 Benton street, and Cariss confectionery, 2260 Washington avenue. Over \$100 was taken in the two holdups by Payne, who was armed with a .45 caliber pistol.

Probation hearings are set for May 6.

Study Of Parking Along 26th St. Underway By City

A study on the possible elimination of parking on the north side of 26th street between State street and Grant avenue in front of the Third Baptist Church to prevent congestion with the addition of buses, will be undertaken by Granite City council's Board of Local Improvement.

The proposal was made during Monday night's council session when the aldermen gave their approval of the plan submitted by Community Coach Co. The route buses off 27th street, requested by the city.

Congestion in the one block of 26th street, caused by parking at the church, should be relieved since the congregation recently acquired a second parking lot. It was pointed out by Donald Spalding, an official of the bus firm, in making the no-parking request. The firm also suggested a no-parking zone on the south side of 26th street for a distance of 25 to 30 feet west of Madison avenue in order to provide an adequate turning radius for buses traveling south on Madison avenue and making

Conservative Weddings Best, Toastmasters Told

If young couples would be more conservative in their wedding expenses and save the rest of the money, their marriage would get off to a better financial start, Dr. Claude Hiles told 15 members of the Toastmasters' Club at its meeting Monday night at Cline's restaurant.

"To Have Or Have Not," was the title of the award-winning speech given by Dr. Hiles. Also speaking was Don Trimpe, who told those present of the "Wet Corn Milling Industry." Toastmaster of the evening was Earl Lee, general auditor was Herman Greve and best critic was Charles Withers.

Cub Pack 13 Planning Picnic, Summer Events

A family basket picnic June 19 at Wilson Park, group trip to a St. Louis baseball game in July and visit to Grant's Farm in August were planned during a monthly meeting of Cub Pack 13 Tuesday evening at St. Elizabeth school. About 125 attended, and a need for four or five new den mothers for 1960-61 was cited.

Additional plans for the July and August events are to be made in May at the final pack meeting until the fall. It was decided to continue den activities during the summer, with meetings rotating among the cub's homes. A bake sale is to be held May 15 to meet registration costs and pack expenses.

George Nouth was accepted as a member, and Cubmaster David Daniel presented wolf badges and silver and gold arrows to Blaine Miskell, Joe Cusack, Jim Fry, Bob Miller, Gregory Homyer, Richard Werner, Bob Williamson, Russell Cozart and Bruce David. Den Six opened the meeting, Den Four and Two gave plays and Daniel outlined four requirements for 50th anniversary awards to boys.

One old time advertising man I knew could do more word tricks with a typewriter than a monkey could do on a typewriter. His imagination was sired by over three decades as a writer. He drew word pictures that could make Rembrandt sigh with envy. His one fault was that he became overpowered with his own imagination and at times took liberty with the truth.

For a one time sale this was effective, but for a company that expects to sell the same people year after year, it is suicide.

We want you to believe our statements and will try not to exaggerate.

37% Of County Votes Cast In Quad-Cities

Ballots numbering 14,084, representing 37% of the 37,783 cast in Madison county, were tabulated for the 42 Quad-City precincts in the official canvass of the April 12 primary election. It was learned this week from Miss Eulalia Hotz, county clerk.

Quad-Cityans cast 12,472 Democratic ballots, or 88% of the 29,033 total in the county, and 1612 Republican ballots, 18% of the county's totals.

The vote was slightly less than anticipated both here and throughout the county. Pre-election estimates had been 40,000 in the county and over 15,000 in the Quad-Cities.

A tabulation of the total vote by precincts shows that the Quad-Cities had the three largest precinct votes in the county and six of the seven largest.

868 Ballots in No. Nine Granite City Nine led with 868 ballots of both parties, Nameoki Three was next with 653 and Granite City 14 was third with 585.

After the next votes cast in Wood River Nine were Nameoki One's 559, Venice Eight's 547 and Chouteau One's 539. Wood River Eight was eighth with 529 and Granite City 17 was the only other precinct to top 500, tabulating 504 votes.

Granite City township totaled 7749 ballots (6724 D and 1025 R). Venice township 3649 (3448 D and 204 R). Nameoki township 2147 (1854 D and 313 R) and Chouteau Precinct One 559 (469 D and 70 R).

Council Disagrees With Contract Term On Wages

The minutes of last year's pre-budget meetings are to be scrutinized by city officers in an effort to overcome an apparent contract error setting pay increases for two street department foremen, members of the Laborers' Union.

With \$25 monthly pay increases to be given May 1 to most city employees under contracts entered last year, a discovery was made that two laborer foremen granted a 9 percent increase last year are entitled to the same amount again this year.

No vote was taken on the issue, as Mayor Davis said he would instruct the comptroller to give flat \$25 increases to the two foremen, the same amount as to others, until the city's new budget is agreed upon.

Dale Skeen, business representative of Laborers Local 397, who was in the audience, showed council members a copy of the contract and said the union expected the city to live up to it as the street department does.

Several aldermen expressed themselves — some favoring adherence to the contract, while others said there was no intention of giving the two foremen a \$15 monthly differential last year and again this year.

When it was pointed out the contract did grant \$40 monthly pay boosts for each year, a suggestion was made to arbitrate the matter and for the minutes of last year's meetings to be studied to determine if there is an entry to show city's intent of limiting the foremen's pay increases to \$25 in the second year.

During the discussion, it was brought out even the city department heads were getting the \$25 monthly increases and no other contracts carried out further differential pay in the second year. In the contract with the Teamsters, the clause granting differential pay for the first year was "scratched out" for the second year, one alderman stated.

40 Girl Scout Leaders Complete Course

Forty girl scout leaders planning to be counselors at camps this summer have completed a six-week class in American Red Cross first aid this week under the instruction of Mrs. Cele Trachsel.

The class, consisting of two groups of 20 each, met every Tuesday and Wednesday morning in the youth center at St. John United Church of Christ.

Those receiving certificates were — Mrs. Bernice Allmon, Mrs. Minerva Coffman, Mrs. Bertha Eieland, Mrs. Cecelia Fallis, Mrs. Beta Forrester, Mrs. Dorothy Homan, Mrs. Lorraine James, Mrs. Edna Jones, Mrs. Wanda Joyce, Mrs. Frieda Kerfoot, Mrs. Louise Koesterer, Mrs. Marjorie LaBianca, Mrs. Esther Mercer, Mrs. Norman McKee, Mrs. Joan Murphy, Mrs. Norma Roney, Mrs. Peggy Thomason, Mrs. Jill Underwood, Mrs. Norma Walton and Mrs. Pat Welch.

Mrs. Lois Daniel, Mrs. Florence Deatherage, Mrs. Delores Eubanks, Mrs. Josephine Fletcher, Mrs. Annette Gieseler, Mrs. Wilma Hancock, Mrs. Genevieve Hill, Mrs. Virginia Kessler, Mrs. Mary Lee Krolm, Mrs. Mary Milkovich, Mrs. Lola Petras, Mrs. Betty Rex, Mrs. Analise Reeves, Mrs. Gloria Sims, Mrs. Rose Ella Stearns, Mrs. Judy Stille, Mrs. Doris Stotz, Mrs. Lois Tonsor, Mrs. Louisa Travis and Mrs. Doris Votaw.

Den Four of Cub Pack Four met Monday with Mrs. Ruby Groomer. The girls finished work on drums and played games. Present were Ronald Westbrook, Darrell Earle's son, Charles Fenoglio and Randy Wright.

Intermediate Girl Scout Troop 119 met Monday with the leader, Mrs. Frieda Kerfoot, and co-leader, Mrs. Edna Reynolds. The meeting opened with a flag ceremony. The girls worked on the sewing badge, and ended the meeting with outdoor games. All the girls were present.

Brownie Troop 51 met Tuesday at the home of the leader, Mrs. Lillie Anderson. The girls practiced presenting the flag, and made "sit-ups." Present were Judy Anderson, Nancy Proffitt, Kathy Carney, Sharon White, Lyla Mae Poe, Debbie Westbrook, Regina Odion, Kathy Soehling, Kimberly Scheffel, Debbie Seehold and Janet Stopokotte and the co-leader, Mrs. Betty Proffitt.

Intermediate Girl Scout Troop 91 met Monday. The scouts worked on camp craft badges, made five starters and planned a campout at Camp Lakota in May. Present were Ann Nelson, Marsha Burnett, Camille Carr, Margaret Hutchings, Debra Paulette, Diana French, Nancy Elton, Janis Shear and Mrs. Robert Harris.

Error in Address

The address for a depot soldier arrested last weekend on three charges was in error in Monday's issue. Instead of trespassing at an apartment in the 1000 block, the incident occurred in the 1100 block of the housing project.

Boyer Receives Banking Certificate

Marvin J. Boyer, son of Mr. and Mrs. Marvin Boyer of 1516 Rodger avenue, has received a graduate certificate from the American Institute of Banking, St. Louis, where he majored in commercial banking courses.

A commercial teller at the Granite City Trust and Savings Bank for the past four years, Boyer has been attending night school sessions at the institute since 1953. A Granite City high school graduate, he had previously received pre-standard and standard certificates from the institution.

Great Lakes History Presented By Cubs

Histories of the Great Lakes were prepared and read by four dens of Cub Pack 7 during a monthly meeting Tuesday evening in the basement of St. Joseph Church. Pack committee

chairman John Stockert presided, and the meeting opened with songs by the Cub Scouts led by den mother Mrs. Georganna Burns. Den Two received the good conduct award for March, and Casimir Ryzvid was received into the Webelo den. Final in-

structions for a May 7 variety show to be presented by the dens was given by Dr. Leo Coleman. Stockert expressed his thanks to Den Mothers Mrs. Darwin Thornton, Mrs. Andrew Paladina, Mrs. Mathew Gasparovic, Mrs.

Contest Sunday

Ten Enter Knights Of Columbus Spelling Bee

Schools will send 10 contestants to the annual Knights of Columbus Council 1098 spelling bee to be held at the K of C home, 2032 Edison avenue, at 2 p.m. Sunday, Chairman Steve Salitch said today.

A new traveling trophy, to replace the one retired last year by St. Joseph's school, will be presented to the school from which the spelling contest winner comes. Additional prizes of pen and pencil sets will be presented to the winner and runner-up by the Press-Record.

The entrants are Beverly Domrosky and Mary Theresa Fiedler of St. Joseph's school, Mary Margaret Caruso and Mary Jane Caruso of St. Mark's school, Kathleen Dunn and Ronald Holt from St. Elizabeth's school, Joseph LaMacchia and Kathryn Syniski from St.

Mary's school and Barbara Morrison and Carol Pieper from Sacred Heart school. All are finalists from separate school contests.

Two schools selected alternates. They are Connie Goff from St. Mary's and Paulette Jackson from Sacred Heart.

Educator for the spelling bee will be Thomas Noth, a Granite City high school faculty member. Members of Council 1098 will serve as contest judges.

The Knights of Columbus county spelling bee will also be held at the local council home, Salitch added. The winner and runner-up in the local bee will compete at 8 p.m. Sunday, May 8, against the winners and runners-up from spelling bees held in Alton, Highland, Collinsville, Wood River, Bethalto and Edwardsville.

Mrs. Anna Oser, 67, Dies of Infirmities

A former Madison dry-goods store owner, Mrs. Anna Oser, 67, of 4124 Madison avenue, died of infirmities at Glenwood Hospital, Webster Groves, Mo., at 7 p.m. Wednesday. She had been ill two months and in the hospital three weeks.

A native of Russia, Mrs. Oser lived in Madison 53 years and operated a store at her residence for 50 years until retiring two years ago.

She is survived by two daughters, Miss Zelta Oser of Madison and Mrs. William Goldfort of St. Louis; a sister, Mrs. Louis Levy of Madison; a brother, Jacob Levin of St. Louis and two grandchildren.

Services will be held in a St. Louis funeral home at 11:30 a.m. Friday with interment in a St. Louis cemetery.

\$800 Loss in Wood Fire At Hyman-Michaels Co.

Three fire calls were received in Venice this week, and there was \$800 loss at 10 p.m. Tuesday at the Hyman-Michaels Co., 1310 Broadway, where sparks accidentally set fire to a pile of new railroad ties.

The firemen went to Main Street near the McKinley Bridge approach, where the carburetor of an auto caught fire at 7:30 a.m. yesterday, and to the rear of 1014 Market street, where a rubbish fire spread to a pile of scrap wood at 6:45 p.m. yesterday. The car was driven away and no damage was listed.

Firm Incorporates

The Contract Drilling firm, 1423 Twenty-third street, was recently incorporated at the office of Illinois Secretary of State Charles Carpenter, Orville Dickery, founder and current president of the general contracting and tool rental firm, said that intended expansion operations was the reason for incorporation. The firm employs six persons.

Sternberg, Teamsters Still in Disagreement

G. H. Sternberg & Company's office, 1609 Delmar avenue, was still being picketed today as no agreement between the contract firm and Teamsters Local 825 has been reached concerning a dispute over rehiring procedures.

The picketing, which started at 7 a.m. Monday, resulted after a recent grievance hearing in Springfield on seniority was deadlocked. The Teamsters want Sternberg to rehire men laid off in reverse order of their work termination. That is, the last man laid off should be the first rehired. The firm contends that according to their availability and qualifications without regard to seniority.

"All we want is for Sternberg to continue the seniority plan he has always had, Marshall McMurphy, assistant business agent of the teamsters said this morning.

Madison Auto Licenses Available Next Week

Madison city vehicle licenses for 1960-61 will be issued beginning next week at the office of City Comptroller E. J. Miller. They will be free to Madison city residents, and applicants must show 1960 state auto license cards.

After July 1, except for new by-purchased vehicles, there will be charges of \$3 for autos and \$5 for trucks.

A spokesman for Sternberg said the picket was unfair because the firm has not violated any contract clause. The contract signed last year has no mention of seniority, according to the spokesman.

"Other craftsmen and laborers have no seniority setup," he said.

Although no new attempt for a meeting between the firm and union is scheduled, according to McMurphy, one might be set in the next few days. Until then the picket will remain, he said.

111 At County Safety Council Dinner Here

Dr. George Hergel addressed 111 at a Madison County Safety Council dinner meeting Tuesday night at the Dow Metal Products Co., talking on "Communications to Supervisors." International Shoe Co. director of management, training and development, he is president of the St. Louis chapter of the American Marketing Association.

President Eugene Burnett presided, and the group toured the Dow plant. Plans were made for an attendance contest dinner May 25 at the Elks lodge and the annual summer dinner meeting in June or July. Granite City Steel, Union Starch and Refining Co. and National Lead joined Dow as host firms for the April meeting.

Fire At Scrap Yard

Madison firemen went to the Madison Iron and Metal Co. Sixth and State streets, at 5:30 p.m. Monday to put out a blazing pile of scrap material. No damage was listed.

Distributors Arrested By GC Police

Drivers for the Stein Furniture Co., St. Louis, and Thompson & Raymond Chemical Co., St. Louis, were arrested yesterday by Granite City police for falling to display 1959-60 city distributor licenses.

The furniture firm driver bought a license and was released, while the chemical company driver was fined \$5 and costs.

Club Told of Loans To Construct New Plants

Procedures for setting up development groups to attract new industry were outlined to the Madison Rotary club yesterday by Charles Shapard of the Small Business Administration's St. Louis regional office.

Under specified conditions, a group of business firms can arrange to construct a plant geared to the needs of some small industry interested in locating in Madison, Shapard said. The SBA then would supply most of the funds needed to erect the building, he explained, adding that such arrangements do not compete with banks, which have first opportunity to provide the financing.

Alex Schenohoffer was program chairman, and Joseph Purdes presided. Plans were made for additional contact between Shapard and a committee of the club.

Charges Against Driver

Three charges were filed against Mack Bruce Conway, 34, of 1415 Rhodes street at 12:20 p.m. Tuesday after his parked car of Ben J. Dunnavant, 1429 Sixth street, and Ed Chandler, 38, Eagle Park Acres, in the 1400 block of Sixth street. Booked for driving while under the influence of alcohol, reckless driving and leaving an accident scene, Conway was released until Friday.

Solon Asks City To Reopen Water Franchise Talks

Council members discussed the possibility of reopening franchise negotiation with East St. Louis & Interurban Water Co. but reached no decision during Monday night's meeting.

Alderman Samuel Whitmer said he had received an opinion from the Illinois Municipal League that a utility can be forced into a franchise, but suggested the city might benefit, if one could be agreed upon.

However, City Atty. William Beatty, while expressing his willingness to reopen negotiations, said he did not believe the benefit would be great enough to go into a 25 to 50-year agreement. "Unless you receive substantial benefits, it might not prove worthwhile, for a franchise would take away the hammer the city now holds over the water company."

The attorney said that based on past negotiation attempts, he was certain the city would never obtain a franchise similar to the one agreed upon in East St. Louis, where a similar franchise settlement was reached. "Without a franchise, the city has means of harassment," he added, pointing out such a procedure now can be followed to force proper repairs to street excavations.

Whitmer said the city pays a \$36 monthly water bill for the city hall alone, along with the \$44 monthly rental fee for each fire hydrant. "In East St. Louis, the city there pays the same hydrant rental fee but gets water free for city buildings. Maybe we could get something like that."

Beatty replied that he believed such a franchise could be obtained. "Of course, the water company would want a 25 or 50-year franchise," he added.

Whitmer closed the discussion by pointing out other utilities are providing certain free services to the city, saving taxpayers' money.

An ordinance was adopted permitting Granite City Steel Co. to install, operate, maintain and replace and remove railroad tracks and crossing protection in, over and across 21st street and in and over Omaha street, for a period of 50 years, and to abandon railroad tracks in, over and across 21st street and Nash street.

A letter was read from John McBride, vice-president and general manager of Union Star & Refining Co., dated April 8, that the firm would be "phasing" its new boiler for a period of two or three weeks and that there might be more than a normal amount of smoke.

At the end of the period, he said, conditions are expected to improve, particularly with regard to the amount of smoke and flyash emitting from the plant.

Jack Reese, 60, Dies Suddenly At Home

Jack Reese, 60, of 2124 Grand avenue died in his sleep at home early Tuesday morning of an apparent heart attack. He was pronounced dead at 8:30 a.m. by Deputy Coroner Henry Pieper. Mr. Reese was found by his mother, Mrs. Catherine Reese, with whom he resided. He was in bed. An inquiry will be held by Pieper.

A native of Elwood, Ind., Mr. Reese lived in Granite City 50 years and formerly worked as a machinist for a St. Louis machine and gear company. He attended the Third Baptist Church.

He also is survived by a brother, William Reese of Los Angeles, Calif.

Funeral arrangements are given in today's obituary column.

Retarded Children Group Plans Future Events

A monthly meeting of the Granite City Association for Aid to Retarded Children was held Monday evening at St. John United Church of Christ on Nameed road.

Mrs. Joseph DeRuntz, who was in charge, appointed a nominating committee and named Mrs. Kipling Pellet as chairman.

Six members of the Association are planning to attend the state convention to be held in Mt. Vernon on Saturday, April 30. A report was made of the new school transportation system and plans were discussed for a meeting next Monday of all chairmen and co-chairmen of committees for Camp Day at the home of Miss Vivian Lupardus on Rural Route One.

Twenty members were present.

Egg Peddler Arrested

John Duncan of Highland was arrested Tuesday morning by Granite City police on a charge of selling eggs without a city peddler's license. He was fined \$5 and costs by Police Magistrate Casparovic and the \$5 fine was stayed.

Charged With Speeding

Vern E. Richardson, 32, of Rural Route One, was issued an arrest ticket Monday afternoon by Granite City police on a charge of speeding 50 miles an hour in the 30 mph zone on State street. She posted her driver's license as bond.

GC Thinclads Enter SWC Relays, Last Won In 1957

The host Alton Redbirds are heavy favorites to win the Southwestern Conference Relays at the Alton public school stadium Friday and end the dominance by East St. Louis since Granite City won in 1957. The Warriors, under Jack Richardson, will be seeking to better their third place finish of last year.
Preliminaries will start at 5:30 p. m., with the finals set for 7 p. m. on the track behind West junior high school in Alton. Admission price will be 50 cents.
The Warriors have given East St. Louis trouble in recent years, capturing second place in 1958 and fourth in 1958 besides the first in 1957 and third last year. But Granite City is having an off year and is not figured to be a serious contender.
Alton, however, is not only favored to win the relays but should take the title in convincing fashion on the basis of earlier performances this year. Last weekend, in the West Frankfort relays, the Redbirds set three records in rolling up an easy victory over 25 other schools. Alton tallied 91 points to only 48 for second-place East St. Louis and 36 for third-place Centralia.
Included in the records set was a 99-100-yard dash mark by B. E. Gator, whom Warrior football fans remember for a long touchdown run made last fall against Granite City.
"We're not expecting to knock off Alton or East St. Louis," Richardson said. "But we do hope to come home with some points."
To make up for a lack of speed in the relays, Richardson has been devoting practice this week to baton exchanges and has seen his boys cut 1.5 seconds off their time.
"If we make mistakes in the baton exchange, we want it to be in practice and not in the meet," Richardson said.

WORLD'S NO. 1 OUTBOARD BUY!

Only Mercury does so many jobs so well! Day by day, year by year, proof mounts up to show that nothing outruns, nothing outpulls, nothing outlasts dependable Mercury Outboards. Whatever the job — from workboat to cruiser to ski boat to fishing boat — you get much more from Mercury in every way.

So buy the World's No. 1 Outboard and get the best of everything . . . the best motor plus the best horsepower buy for your money! Two examples: a Merc 400 four-cylinder-in-line gives you 45 hp performance but is priced in the range of competitors' 40 hp motors with only two cylinders; a Merc 800 four-in-line has 40 hp performance but is yours for about the same price as competitors' 25 hp twins! One demonstration will convince you a Mercury is the biggest dollar value in outboard history. See your Mercury dealer now! Choose from nine models — 6 to 80 hp!

Cruising...Skiing...Fishing...Mercury Gives You Much More

- More dependability, with Mercury's 4- and 6-cylinder engines — proved in Mercury's 50,000-mile endurance run
- More handling ease, with Mercury's own single-lever remote control — the world's fastest, easiest to operate. The single lever gives one-hand control of throttle, forward, neutral and reverse.
- More fuel economy, with more efficient combustion, fixed-jet carburetors; Mercocrosser Ignition Linkage gives up to 50% more mileage.
- More pull power, with Mercury's unmatched load lugging ability . . . more horsepower per cubic inch, per pound, per dollar . . . more reserve power!

See our complete family rig Specials at Mercury Dealers during "Outboard Living Days"! Remember you can get 45 hp performance in the price range of a 40 . . . 40 hp performance for little more than a 25! Liberal trades, easy terms.

Important Decision For Voters In City Court Election Saturday

The city court of Granite City is important in many ways to this community. With its two elected offices to be filled for six-year terms in Saturday's election, all adult residents of the city should participate in choosing the candidates.

Aside from the present value of the court to this area, potential expansion of its functions lends even greater importance to Saturday's decision. The activities of city courts may be broadened considerably as future judicial reforms are enacted in the state, and the trend of thinking has been toward elevating the status or such courts.

Twenty-one polling places will be open from 6 a. m. to 6 p. m. Saturday, and the race is between two candidates for city judge and four for clerk of the city court. It is not necessary to be registered as long as an individual is otherwise qualified to vote.

Ambitious Program To Improve Traffic Facilities In Venice

The section of Broadway which carries Illinois Route Three in Venice will be improved to meet the state's highest standard in current and planned construction projects are completed.

Following the removal of trolley rails, installation of a drainage line and paving with concrete, the entire surface of Broadway between McKinley and Fourth streets is to be coated with bituminous material. A four-foot median strip will separate traffic going in opposite directions.

Coupled with work in progress on the western end of Broadway, Main street, the McKinley Bridge approaches and the bridge itself, the state-financed Broadway improvement will help provide up-to-date facilities for vehicular traffic in Venice.

Opportunity For State Legislature To Consider Amending Levee District Law

Now that a special session of the state legislature has been called for May 3, opportunity has been provided for early action to amend the East Side Levee and Sanitary District Law. Corrective steps can be taken while the need is still fresh in the minds of all.

As pointed out previously, Madison county, with 41% of the district's tax burden, is entitled to at least two representatives on the five-member levee board. This can be spelled out in the law, thus assuring equal representation no matter how the voting goes in St. Clair county. In contrast, the present outlook is that five board members elected in November will be St. Clair county residents.

Senator Monroe and Representatives Harris, Simon and Smith, who represent the area currently lacking in representation on the levee board, can perform a service to the local public and to the principle of fairness by spearheading a move to amend the law.

Many Indications Bear Out Optimistic View Of Industrial Growth Prospects

It was fitting that Dr. Harold W. See of Southern Illinois University's Southern Illinois Institute of Technology session of the Illinois Industrial Planning and Development advisory board last week. The new state university, which can become an almost immediate reality with approval of the bond issue in November, is expected to add much to this area's already great attraction for new industrial and residential growth.

In giving the principal talk at the industrial gathering, Dr. See called attention to the vast "major, well-located industrial sites now available on the Illinois side of the river," and envisioned a dramatic acceleration of present growth if existing enthusiasm continues to be matched by imaginative planning and resolute action.

In line with his optimistic view, members of the advisory board described this area as the "best in the state" for location of new manufacturing facilities, and promised to do their best to convey this message to the state and nation.

There seemed to be widespread agreement at the meeting with Dr. See's concluding thought: "If we bring together all of the positive factors of our area, we will—if we're not afraid to make big plans—become one of the greatest industrial, educational and residential developments in the Midwest."

County To Develop Plans For Construction Of Juvenile Home

Madison county's decision to proceed with definite plans indicates that the day is not far away when there will be a juvenile detention home.

In adopting the half-cent county sales tax last year, the county board of supervisors earmarked 60% of all receipts for a detention home. Now that the county is accumulating a regular rate of \$9000 to \$10,000 a month, it has become possible to make the proposal a reality. It is hoped to locate the building near the Southern Illinois University branch school, so that graduate students in sociology will have chance to study and assist in the operation of the home.

No barred windows or high walls are planned. Such facilities are available at the county jail, and it has proven to be unsatisfactory for temporary lodging of juveniles who for various reasons cannot remain at their homes.

Handling of juvenile cases involves problems different from those of housing hardened criminals; in many cases the child has done nothing wrong but needs a place to stay in the interval before placement in a foster home. The detention home is to be designed to meet the requirements determined by the county's present and past experience with juvenile cases.

The FORUM

MISSOURI EARNINGS TAX AMOUNTS TO ILL. SUBSIDY For The Forum, Granite City Press-Record:

"NO" TO A TOLL BRIDGE
This is the title of an editorial which appeared in one of the large St. Louis newspapers on 16 April.

In the editorial, reasons are given in support of the stand that "congress ought not to permit the City of Madison to build a new toll bridge alongside its Chain of Rocks span."

Chief among the reasons is that "it would be a one-way toll bridge operated in conjunction with the Chain of Rocks bridge not so much for public convenience as to subsidize a low tax rate in Madison. A third of the Madison municipal budget now is

financed from Chain of Rocks toll revenue."

Accepting their reasoning, then, let us apply the old saying: "What is good for the goose is good for the gander."

Therefore, congress ought not to subsidize the Missouri State Income Tax on East Side residents who work in the "neighborhood" on the west side of the river.

Chief among the reasons is that this one-way tax grab is effective in subsidizing their low tax rates not so much for covering the cost of non-existent benefits for non-residents as to subsidize their below-average tax rates. For instance, a third of the St. Louis Earnings Tax which helps support the city's municipal budget now is financed from non-resident tax revenue.

Actually, subsidizing the Missouri Side's low tax rates will cost the East Side anywhere from \$30,000,000 to \$50,000,000 in the next ten years. Now this is what I call "big time" subsidizing!

Their criticism of Madison is but an example of many which brings into sharp focus the cross hairs of their selfish reasoning. Everything for the Missouri Side; nothing for the East Side.

Other typical propositions which they support for the sole benefit of the Missouri Side are: Free bridges to attract more trade; subsidizing expansion plans for the St. Louis bus system with revenue from the St. Louis Earnings Tax to attract more trade; and development of industrial sites at \$10,000 an acre to attract more industry when more convenient sites can be developed on the East Side for as little as \$2500 an acre. And so it goes, on and on.

What nerve they have in accusing Madison of subsidizing a low tax rate.

CANDIDATE CRITICAL OF POSITIONS ON BALLOT WHY PARTIES IN THIS CITY ELECTION FOR JUDGE AND CLERK OF THE CITY COURT?

To my knowledge they have filed as independent candidates for a good many years. After waiting all night at the door of the City Clerk office to file first in order to be first on the ballot, instead wind up at the end of the ballot. I was told the first one to file would be the first one on the ballot but what we are told is not always truth. If I do hope my friends can find my name at the end of the ballot, (the lower right hand corner) I believe in integrity and in standing for what I say. If elect-

Three boys entering the Wheelers were David Dronza, James Hillmer and David Welton. Two-year pins went to John Carmody, William Hillmer, William Welton and Mrs. George Lynch.

Prizes for the evening went to Dens Four and Eight, and Pete Wainiger swimming instructor presented certificates to Linus, James, Marlin and Paul Helrich, Kenneth William and Stephen Green. The meeting was closed by Culmaster Ony Pashea and refreshments were served by Dens Eight and Nine. Next month's meeting will feature a "Pinewood Derby."

City's Bills, Salaries Total \$51,360

Bills and half-month salaries approved Monday night by Granite City council members, totaled \$51,360, including \$32,723 for salaries and \$18,637 for bills. Largest item on the bill list was a motor fuel tax fund payment of \$16,371 to G. H. Sternberg & Co. for work done on the M² avenue project.

Aldermanic allowances of \$30 each were paid to Emerald Daves, Charles Meyer and Paul Rutledge; while a \$50 allowance was paid to Victor Koenig, civil defense director.

Repairs and maintenance of equipment amounted to \$157, and it was noted by Alderman Arthur Wierzer that the city paid a \$1 charge five times for the lighting of wheel lugs on sanitation trucks. "We could avoid this if we employed a full time mechanic to do the job at night, and then the trucks also would not be out of service for repairs during the day," Wierzer commented.

A total of \$350 was paid Federal Oil Corp. for 1168 gallons of gasoline and 55 gallons of oil.

Illinois Hospital Association Report

Better Services Provided At Hospitals Throughout State

Better wages and working conditions for hospital workers and improved methods of treating disease account for rising hospital bills, according to a new survey made public today by the Illinois Hospital Association.

The survey, which included the local St. Elizabeth Hospital, reveals that the "steady addition of employees to hospital payroll at higher wages to provide better patient care has been a major factor in rising hospital bills," according to Delbert L. Price, president of the state association and administrator of Children's Memorial Hospital, Chicago. Sixty-four per cent of the salaries of 1958 went for the salaries of 87,834 hospital workers.

The greatest increases in payroll and supply costs have been in nursing and other medical service activities, the survey shows, and that while total costs in general hospital rose 12% in the last 10 years, the cost of nursing services increased 196%. More than \$8 daily was spent to provide nursing care for each patient last year as compared to \$2.71 in 1947.

New diagnostic and treatment techniques have contributed substantially to the high cost of hospital care. Laboratory expenses, Price said, have gone up 215% in the past 12 years. There was an average of 18 laboratory procedures performed per patient in 1957 as compared to 12 in 1950. It cost the short term voluntary hospital \$247 to care for an average patient in 1958, the hospital spokesman added. The cost was \$100 in 1946. Sister M. Stanislaw, administrator at the local hospital, said that cost figures are comparable to those here.

Price pointed out that the average length of stay rose slightly during the past two years because of the increased number of older people needing hospital care and the fact that a more extended period of hospitalization is required for many ailments. Increasing the length of stay are the greater variety of illnesses treated in hospitals, he said.

New services and improved treatment are going to increase hospital costs still more. Prices declared. Only 23 hospitals in the state had radiology departments in 1951. In 1958, 72 hospitals had such departments.

Admission to general hospitals increased 52% since 1946. The population increased only 22% during the same period.

Other figures released by the Illinois Hospital Association show that in 1958 there were 23.7 births every 1000 persons in Illinois, as compared to 10.3 deaths. Almost 88% of all births now occur in hospitals. Twenty years ago, the figure was 65%.

Price stated that despite increased costs, "the greatest health bargain ever known is now being offered the hospital-insured-public, as these medical institutions and their staffs progress from one healing miracle to another."

Solons Learn Reasons For Asphalt Driveways

Council members, long concerned over the asphalt driveways at the new Granite City Steel Co. office and First Granite City National Bank building, learned the answer Monday night, but still want concrete pavements.

The answer to the mystery question—"who said asphalt driveways?"—was supplied by City Engineer Al Kraemer, who said he had done it during a conference with construction engineers in the two-year period the building was under construction.

Kraemer explained he thought the combination driveway-aisle-walk exits and entrances would serve to alert pedestrians to vehicular traffic through the contrasting color of black asphalt driveways and white concrete city sidewalks.

"That isn't good for the city," Alderman Donald Partney remarked, adding that he had heard a number of complaints. Kraemer said the asphalt pavements are to be reconcreted when needed by the firm.

The council accepted a letter from S. M. Wilson & Co., contractor for the downtown "sky-scraper" building, stating its appreciation for the city cooperation during the construction period.

Bottling Works, Paint Firm Began As One-Man Operations

Back in the days when your favorite western movie hero swaggered up to the bar and demanded (if he was the good guy) "a shot of sarsaparilla," the chances were fair — if he was really drinking the beverage — that it was made right here in the Quad-Cities.

Sarsaparilla, together with lemon and strawberry soda, were the first products manufactured for sale by the Wagner Bottling Co. soon after the firm was founded on lower Main street in Venice in 1901 by J. Fred Wagner.

The oldest beverage firm in the area, now continuing under the ownership of the founder's wife, Mrs. Emily Wagner, and his son, E. J. Wagner, is one of the businesses to be honored at the Associated Retailers' Chamber of Commerce recognition banquet May 4 at the Venice, Madison American Legion Post headquarters.

Like many of the first businessmen in the Quad-Cities, J. Fred Wagner came from St. Louis to seek the patronage of the approximately 15,000 persons who inhabited the Granite City, Madison, Venice, Nameoki and Mitchell areas of Illinois.

Just starting in business (he and Mrs. Wagner were married in 1896), Wagner washed his bottles in wooden tubs, and bottled his beverages on foot-powered machinery.

Delivery By Wagon
During the first year of business, he delivered "white," "black" and "red" soda in horse-drawn wagon, selling about 12,000 cases of the Wagner product. In August of 1903 the firm's plant was moved to 1529 Elm, 20th street in Granite City, and added a second team of horses and another wagon with extra equipment. Bottles were still being washed and filled by hand.

In 1910, some automatic equipment was purchased and the firm took up new quarters at 2118 "C" street in Granite City. The firm added "Iron Brew," then a nationally known drink, to its line, and placed in the market "Orange Juice," on the market.

In February 1915, Wagner moved again, to Sixth street and Madison avenue in Madison, and the company became known as the "Gay Old Bottling Co." after one of its new products, of which there were now ten.

The firm added a Republic truck to its delivery stable, and began making sales in St. Louis. During the first world war members of the 138th Infantry National Guard and other military guards at Mississippi River bridges and at industrial sites in St. Louis, were good customers.

Locate in Madison in 1921
The plant moved to its present location at 204 Madison in 1921, and the following year two more trucks were added and the firm name again changed, this time to the "Crown Cola Bottling Co."

Expansion during the next ten years included the opening of a route in East St. Louis, building of a warehouse in Edwardsville to service the Collinsville-Marysville area, the purchase of five additional trucks, installation of the company's first all-automatic bottle filling unit and, in 1930, the addition of Seven-Up to the firm's line.

Sales in 1929 were up to 119,000 cases, but like every other business, sales dipped with the depression in 1932 to only 67,000 cases. Ed Wagner, who "grew up" in the business, was by this time an important part of the operation along with his parents.

Of the depression he said "Everyone just seemed to be hanging on, regardless of what kind of business they were in."

Distribute Beer
But "hang on" the Wagner Bottling Works did, and in 1933 with the repeal of prohibition, the firm began distributing Miller High Life beer, which helped to boost company total sales during the difficult years of 1932-37 before the distributorship was given up.

Business began looking up in 1937, however. The bottling firm

TIMES HAVE CHANGED. E. F. Wagner of the Wagner Bottling Works checks final phase of automatic bottling machinery on one of the Seven-Up bottling lines. When plant first opened in 1901 bottles were washed by hand in wooden tubs.

now had three beverage mainstays — Seven-Up, Nehi and Royal Crown Cola — a total of 12 employees in a modern equipment and additional space at its State street location.

New distributors were added in Alton, Mount Olive and Litchfield in the few years remaining before the outbreak of world war II. Biggest problem during the war was making the plant's sugar allocation stretch far enough to satisfy all dealers. Volume was reduced as the company adhered to government restrictions, not only on sugar, but also gasoline, tires and bottles.

The year following the war, the Wagner firm discontinued all lines except Seven-Up without changing its manufacturing or delivery procedure. Volume increased with the end of sugar rationing.

By 1948 the firm had acquired distributors in the Belleville and Centralia areas, had a new 16,000 foot warehouse and was covering nine counties with an estimated population of 530,000 people. The following year a complete new bottling line was installed at the Second street plant, and by 1951 four additional routes were in operation.

Capacity of the present equipment is 250 seven-ounce bottles or 10 1/2 cases per minute. The plant now employs 65 persons, including 12 in the warehouse, 45 delivery trucks and one transport unit.

Latest Addition In 1954
Latest addition to the plant was made in 1954 when a 50x125 foot building was added at the Madison address to house still additional bottling units. Large warehouses also exist in Centralia and Alton. In addition to two locations in Madison with a total of 6000 square feet of floor space the firm

Total sales in 1959 were a whopping 825,000 cases, including Seven-Up in seven, 12 and 28-ounce bottles, 12-ounce cans and pre-mix units.

Ed Wagner, whose firm now distributes Seven-Up manufactured in the Madison plant to all or part of 12 Illinois counties with a population estimated at over 600,000, maintains a strong interest in his business and in the beverage bottling industry as a whole.

He is in his 22nd year as a member of the Illinois Bottlers Association, and has served as president, vice-president, secretary and board member during that time. Currently he is treasurer of the organization. He has been associated with the American Bottlers of Carbonated Beverages for the past 12 years as president, vice-president and board member.

During those 12 years he has visited 38 state conventions speaking in regards to the industry and its betterment. His own business is a fair example of the interest.

First opened in March of 1903 in a residence on West 20th street by H. F. Roseman, father of the present owner, Arthur D. Roseman, the business literally floated away on the great flood in June of that year. The elder Roseman, as did almost everyone in the paint and decoration sales business at the turn of the century, doubled as a qualified painter and decorator.

He moved into a building at 21st street and Delmar avenue as a result of the flood. Shortly thereafter a contract with the Granite City Realty Co. was signed whereby the Roseman firm painted all the buildings and property owned by Granite City Steel Co.

In return, H. F. Roseman acquired the property at 2108 Delmar avenue, and assumed control of a paint store already there. The business, still a one-man operation, was conducted from a farm house next door to the present location at 2110 Delmar avenue, which was erected in 1912.

Art Roseman and his brother, Paul, both learned the "painting trade" as boys, and by the time the first world war came along were members of the firm. As late as 1910 the firm would contract to redecorate an entire room, furnishing the wall paper, for as little as \$2.50.

First Motor Vehicle In 1912
The Rosemans confined their business to the Tri-City area in the early days, and still follow that pattern for the most part. A horse and wagon furnished transportation for materials and painters to and from a job until 1912, when the firm purchased its first motor vehicle, an International Harvester truck with wagon wheels and chain drive. Art Roseman went off to serve in the Marine Corps during world war I. The elder Roseman moved elsewhere, and Paul ran the business, during the war. Art took over in 1920, and brother Paul also moved away.

Union Starch Had Crucial Postwar Decision To Make

The Union Starch & Refining Co., one of the oldest industries in the Quad-Cities, reached a crucial point at the close of world war II, when a decision had to be made to either abandon the plant or embark on an aggressive and costly rehabilitation program. E. D. "Burr" Kincaid, personnel director, told the Granite City Rotary Club Tuesday noon.

"It was the forceful decision of Erwin Miller, chairman of the board and president, who had just completed three years of Pacific naval duty, that an industry with a record of 38 years' employment for 600 people should be continued," Kincaid said.

"Accordingly, in the face of heavy operating losses, as well as an old and largely worn-out plant, Mr. Miller went out and raised \$10 to \$15 million—and the task of preserving 600 jobs and revitalizing our operation began."

Since then the plant has been modernized, enlarged and equipped to take on new products, all geared to do business in its highly competitive market. "Despite many industries that show operating profits of 10% to 15%, the corn products industry works on a 1% to 2% margin," he said.

Compared to 1922, when the present owners bought the local plant, the daily grind capacity has been increased from 8,000 bushels to 30,000 bushels, and the inventory of tank cars from 11 to 238. Many other changes and innovations throughout all phases of the plant's operations have been effected, Kincaid added.

"Our major problem today is to sell what the plant is capable of producing," he said. "We are currently operating below capacity and, as you know, it takes maximum production to achieve a good profit picture."

Started in 1908, Union Starch & Refining Co. is the fourth operator of the local plant. Built in 1903, it was first the St. Louis Syrup Refining Co. Subsequently, it was operated by the Corn Products Co. and then Temcor. The Erwin family of Indiana bought it in 1922.

The Erwins, who had wide-spread financial interests, entered the corn products field almost accidentally, as a sideline. Kincaid related. They had bought a closed, small Indiana plant for its power generating facilities, using these in a connection with their electric railroad, and then decided to utilize the rest of the plant for its original purpose.

The Erwins—and Mr. Miller is a nephew of the company founder—devoted much of their wealth not only to philanthropies but also in support of people with ideas for new and improved business. One of the most notable instances of this involved their chauffeur, who developed a highway diesel engine. The Cummins Diesel Co. is now one of the largest industries of its kind.

Quoting from a policy statement by President Miller, Kincaid pointed out that "human values and relations" have always been given top priority by Union Starch & Refining Co. in the fundamental belief that machinery and plants can accomplish nothing without capable and satisfied people.

To this end, an educational program is made available at company expense to employees wishing to improve themselves. Kincaid, a member of the Rotary Club, was introduced by Harold Thomas, program chairman.

Agents Qualify For Career Club Meeting

Mr. Calvo:

Does approximately 2-3 years residency in Granite City give you such knowledge of the City's Court that you would preside in them?

Ken Hartbarger

IS CALVO LEGALLY QUALIFIED?

The Circuit Court of Madison County dismissed Mr. Calvo's suit against me on April 26, 1960. I said then, and I have been proven correct that said suit had no legal foundation, and I say now that in my opinion:

THE CONSTITUTION OF ILLINOIS PROHIBITS HORACE L. CALVO FROM QUALIFYING FOR THE OFFICE OF CITY JUDGE OF GRANITE CITY, ILLINOIS.

YOU BE THE JUDGE

THIS IS WHAT HAPPENED

The morning of April 26th, 1960, I obtained evidence which leads me to believe that MR. CALVO HAS NOT BEEN A RESIDENT OF THE STATE OF ILLINOIS FOR 5 YEARS next preceding the election as required by Article VI, Section 17 of the Constitution of the State of Illinois, but began his legal residency in September of 1957 when he moved from 4320 Dryden Court in St. Louis, Missouri, to Granite City, Illinois.

(SEAL) BOARD OF ELECTION COMMISSIONERS
For the City of St. Louis
By HARRY LEITZ
Assistant Election Commissioner

(Information given under oath by registrant at time of registration)

- (This original certified copy has been deposited with the Press-Record for Public Inspection.)
- A certified copy of a deed dated July 16, 1957, recorded in Book 1793 Page 180 indicates Horace L. Calvo and wife, as of said date, were residents in the City of St. Louis, Missouri.
(The certified copy of this has been deposited with the Press-Record for Public Inspection.)
 - His voter's registration #175234 dated October 1, 1958, states his residence in ILLINOIS commenced SEPTEMBER 1957, as of record in the County Clerk's Office of Madison County, Illinois.

I Base My Opinion on The Following:

The qualifications for City Judge appear under Article VI, Section 17 of Constitution of the State of Illinois and Chapter 37, Section 337, of the Illinois Revised Statutes, which are as follows:

The Constitution of the State of Illinois under Article VI, Section 17 as follows:

"No person shall be eligible to the office of judge of the circuit or any inferior court, or to membership in the "board of county commissioners," unless he shall be at least 25 years of age, and a citizen of the United States, nor unless he shall have resided in this state five years next preceding his election, and be a resident of the circuit, county, city, cities or incorporated town in which he shall be elected."

Section 337, of the Illinois Courts Act, provides as follows:

"The judges of such courts shall be regularly licensed attorneys and shall be elected by the qualified voters of such city, village or town in the same manner that the city, village or town officers of such city, village or town are elected, but not at the same time, and shall hold their offices for the term of six years, and until their successors are elected and qualified. They shall qualify and be commissioned in the same manner, be vested with the same powers and perform the same duties as circuit judges, and have the right to appoint a court reporter on the same terms as the circuit court, and shall be styled "judge of the city (or village) (or town) court of (name of city, village or town)" . . .

- People vs. McCormick
Vol. 261 Illinois Supreme Court Page 413
- People ex rel Romano vs. Krantz
Vol. 113 Illinois Supreme Court 2d Page 363

In view of the constitutional provision, the Statute and the cases in support thereof, in my opinion, Mr. Calvo does not meet the eligibility requirements to be City Judge by virtue of the fact that he has not been a resident of the State of Illinois for 5 years next preceding the election.

SEVEN-UP BOTTLING COMPANY, Madison, Illinois

An Open Letter to the People of Granite City:

LET'S TALK COMMON SENSE

Tuesday, April 19, 1960, I was made party to a suit wherein my opponent, without basis in fact or in law, made certain charges about my position as Judge and as attorney for the Levee District. I was in the same position when I was elected Judge in 1957 and he did nothing about it. This filing of this suit was just to confuse the issue and I had hoped to keep this election on a higher level. He filed the suit at a late date hoping no action could be had until after the election. Why didn't he file the suit in 1957? Why did he wait until now? I requested an immediate hearing and the matter was heard Monday, April 25, 1960 and a decision of the court was entered on Tuesday, April 26, 1960 to dismiss said suit.

My opponent works for Morris B. Chapman and Chapman is the man who wants him for Judge.

Chapman lives in Edwardsville Township and he is telling the people in Granite City what to do—are you going to let him?

GEORGE J. MORAN, behind the scenes, is for my opponent. He is the same man who was attorney for the Levee Board in 1940, 1941, 1942, and received one-half salary 1943 and 1944 while he was in service. He was also the Levee Board attorney in 1952, 1953, 1954, 1955 and 1956 when I was State's Attorney. George J. Moran and William Beatty, his partner, offered Walter Nonn whatever amount he wanted, to be for my opponent. Why are these two men putting up all this money?

Are Chapman and Moran really Anti-Levee Board, or are they just saying so to dupe voters into helping them elect an inexperienced Judge who will do their bidding?

Moran is attorney for Granite City Township and his partner, William Beatty, is City Attorney, and their salaries are paid by the taxpayers. I do the same work as an attorney for the Levee Board and they complain about it for political purposes.

Are these men sincerely anti, or are they seeking to get control of our court for their own purposes?

My position in the past has been to conduct the court for all litigants and attorneys. Ask any lawyer who has practiced in the city court, and hear what he tells you. If you want to continue to have a court run for the interests of every one then vote for Mrs. Moran for Clerk and for me for Judge.

Sincerely
FRED P. SCHUMAN

State Oks Sections Of 22 GC Streets For MFT Funds

Sections of 21 dirt streets and one concrete street in Granite City have been designated as arterial thoroughfares and eligible for expenditures of state motor fuel tax funds, according to a notice received recently by Supt. of Streets William Warfield from the state highway department.

Only streets approved by the state qualify for motor fuel tax fund expenditures, and of a recent list submitted by the city to Springfield, only five were denied.

The 22 street sections approved for MFT funds included only one improved street, Cayuga street from Rock road to McCasland avenue. The dirt streets approved for MFT projects were: McCasland avenue from Cayuga to Denver street; West 21st street from Rock road to Missouri avenue; West 24th street from Ohio to Missouri avenue; West 23rd street from Nevada to Ohio avenue; Nevada avenue from West 20th to West 23rd

Census Bureau Seeks To Count Everybody

To insure that everybody is counted in the federal census, a "Were You Counted?" campaign will begin soon, according to Ronald Jung, district supervisor of the census in the Madison-St. Clair counties area.

People who think they have not been counted when enumerators made their rounds early this month can fill out forms which will be printed in area newspapers, including the Press-Record, and send the forms to the district office in East St. Louis. Prompt mailing will speed up the tabulation of preliminary census figures for this area, Jung pointed out.

A complete census is necessary because federal funds are allotted to states which in turn are allotted to counties and cities according to population.

"So a short count means a short allotment," Jung said. "Thus, it is imperative that we have a complete count. The help of every resident of the area is needed to reach this goal."

Chairmen Named For Poppy Sale Campaign

"Poppy Sale" chairmen from the Tri-City American Legion Post 113 and auxiliary will be Mr. and Mrs. Frank Toth. It was announced today. The Memorial Poppy sale will be held May 20 and 21.

Approximately 20 members of the post will be selling 5000 poppies in the downtown Granite City and the Bellemeor Village shopping center areas. Last year 4500 were sold.

All proceeds from the sale will go to aid rehabilitation of disabled war veterans.

TRI-CITY AMERICAN LEGION Post 113 "Poppy Day" chairmen, Mr. and Mrs. Frank Toth, who will lead the post and auxiliary's poppy sale May 20 and 21.

60-Day Jail Sentence On Vagrancy Charge

Answering a complaint at a cleaning shop on Rock road about 11:15 p.m. Monday, Granite City police took into custody Donald Presley, 35, who gave his address as 2007 Rock road. He was charged with disorderly conduct on a complaint

Raymond Willareit. Appearing before Police Magistrate Gasparovic on Tuesday, Donald Presley was fined \$10 and costs on the Presley, also of 2007 Rock road, conduct charge and sentenced to an additional charge of vagrancy. An additional charge of vagrancy was filed Tuesday against Donald Presley by Police Chief Raymond Willareit. In poker a good deal depends on the player—and the player depends on a good deal.

SOCIETY Miss McCauley Named To Girls' State By Unit 113

LOCAL NURSES WILL ATTEND CONVENTION
Mrs. Lula Mills and Miss Evelyn Cunningham are professional nurses from this area who will attend the American Nurses' Association convention in Miami Beach, Fla., May 26.

The convention will focus on improvement of nursing practice, with special sessions devoted to nursing care of cancer patients, nursing in mental retardation, the use of research in planning nursing care and social changes affecting nursing.

Highlights of the meeting will include presentation of two awards — the Mary Mahoney Award to the nurse making the most important contribution to improvement of intergroup relations in nursing, and the Pearl McIver Award to an outstanding public health nurse. Some 7000 professional nurses are expected at the convention. The National Student Nurses' Association convention will be held April 28 to May 2, immediately preceding the adult meeting.

Members of the meeting will represent the Tenth District, Illinois Nurses' Association. They are from Bellevue, East St. Louis and Caseyville.

Mrs. Elizabeth Ann McCauley, who has been selected to represent the American Legion Auxiliary, Unit 113, at Girls' State on the campus of MacMurray College in Jacksonville, June 14-21.

DAV, Auxiliary Public Installation Saturday

Public installation of new officers of the Disabled American Veterans and Auxiliary will be held at 8 p.m. Saturday at the DAV clubrooms, 1417 Nineteenth street.

Installing officers will be State DAV Commander John J. Unger and Mrs. Lillie Heffery of Granite City, a past state auxiliary commander. George Krpan will succeed James Miller as commander of the DAV post and Miss Irene Nienhaus will succeed Mrs. Louise Schliert as commander of the auxiliary unit. A talk will be given by Mayor Leonard Davis, and dancing will follow the installation ceremony.

TELEPHONE TALK
by R. A. Pelster, Manager, Granite City, Illinois

HELLO, QUAD-CITIANS

This is my first opportunity to greet you in this column. Almost a month has passed since I came to the Quad-Cities in my new position with the Telephone Company.

During this first month I have certainly been impressed by the friendly manner of the people in the Quad-Cities. There is a very pleasant atmosphere of informality here.

I am looking forward to being a part of this congenial growing community.

SPIRIT OF SERVICE IN ACTION

Every now and again I hear a warm, human story about people that makes me feel pretty good. I think this one will make you feel good, too.

Here's what happened: A man and his wife had come to court to adopt a little girl—a German orphan. But one of the officials told the man (dressed in a suit and sports shirt) that it was the local custom for a man to wear a tie when appearing before the judge in court.

Protesting, the fearless man said that if he were not allowed in court now, the adoption would be postponed, perhaps for months.

At this point, Jerry Sharp, a veteran installation foreman for Southwestern Bell who happened to overhear the conversation, removed his own tie and handing it to the man said, "Here, take mine."

Well, a few minutes after that, the adoption proceedings were under way and the little girl had a new family.

So often it's the "little" extra things you do that help the most.

BRIGHT IDEA FOR SPRING

Driving around the Quad-Cities the other day, I suddenly realized that the hustle and bustle of spring is with us again.

Everywhere I went from Madison avenue to Oak Lawn Terrace — I saw the dreary signs of winter being replaced by fresh new colors. Color seems to be the talk of spring.

Perhaps you've seen our ads in the national magazines suggesting that you "Pick-A-Phone from a garden of colors." It's a timely reminder that a color extension telephone is an easy, inexpensive way to add a dash of color — and time-saving convenience — to any room in the house. With nine colors to choose from, you probably won't have any trouble picking the color phone you want.

You can order yours just by calling the telephone business office.

Call by number. It's twice as fast.

PRESBYTERIAN WOMEN HOLD EXECUTIVE MEETING

An executive board meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday morning at the church, 22nd street and Delmar avenue.

Mrs. H. E. Laeders was the devotional leader and the Scripture lesson was on the topic "This Is The Day The Lord Hath Made."

The names of the missionaries in Canada, Aiz., and the Presbytery of Chile were read and prayers were offered for them. The business discussion was conducted by Mrs. James Fox.

Association president, and reports of the secretary and treasurer were heard, as well as those of the Fellowship, Program and World Service committees and the spiritual life secretary, Mrs. R. N. Johnson.

The meeting closed with the Mirpah benediction.

WILL ATTEND CONVENTION
Rev. and Mrs. James R. Craddock, of Central Christian Church, 2020 Johnson road, will attend the state convention of Christian Churches, (Disciples of Christ) in Danville, Ill., beginning Sunday and continuing through next Wednesday.

Contracts Awarded For 2 City Projects

Resolutions awarding two city construction project contracts and calling for the installation of four street lights were approved Monday night by Granite City council members.

A. H. Seabold Co. on a bid of \$28,742 was awarded the contract to improve two blocks of Jordan avenue; while Ellsworth Concrete Co., with a bid of 41 cents a square foot, will install a four-foot sidewalk on the west side of West 25th street between Missouri and Ohio avenues.

The new street lights are to be installed at Lynch and Vesel avenues, Wabash and Vesel avenues, Wilson and National avenues and the middle of the 2800 block of Farningham avenue.

On a recommendation by Alderman Samuel Whitmer, Street and Alley committee chairman, the Ellsworth firm's price of \$42 to repair a driveway at the home of Frank Gray, 2403 Lynch avenue, was approved. The driveway was damaged by sanitation department trucks using it for a turn-around.

Township Salaries, Bills Total \$7394

Township bills and salaries totaling \$7394, approved Monday night by Granite City council members, included \$4447 for town purposes, of which \$3076 was wages for 20 deputy assessors. Relief disbursements totaled \$2947.

Deputy assessors and the amount they were paid follows: Agnes Baronica, \$160; Mary Boring, \$160; Alma Brown, \$166; Catherine Colligan, \$166; Bernadine Hagauer, \$240; Carrie Hensen, \$160; Catherine Heriman, \$240; Lorraine Isbrecht, \$160; Mary Ann Koresog, \$148; Evelyn Collegan, \$136; Dorothy McCormick, \$240; Louise Orr, \$107; Josephine Ranzely, \$130; Anna C. Other town fund disbursements were \$700 for officials' half-month salaries, \$91 for officials' travel, \$30 per diem for Clerk A. L. Stevens, \$20 office allowances for Justice of the Peace Gerhard Mueller and Robert Rouland, \$115 bond premiums for five JPs and one constable paid to the Treasurer Agency and a \$15 bond premium paid to the Reinhardt Agency, \$7 for 24 ballot box locks, \$3 for a map, \$88 for tax forms and envelopes for the assessor's office, \$7 for polling place flags, \$36 for office supplies for the assessor, \$21 telephone service for the assessor and \$25 for an electric heater for the assessor's office. Other bills for \$30 rent paid to the city for the assessor's office rent and \$121 for employees' retirement.

The \$2947 relief disbursement included \$1342 for groceries, \$751 for medical care, \$136 for fuel, \$50 for rent, \$123 for room and board, \$407 for half-month salaries for three office workers, \$18 for caseworker travel, \$28 for telephone service and \$30 for employees' retirement.

Slugs shot into the box are removed and sent to the firearms laboratories of the FBI and state investigative branch for comparison with bullets from a suspect's gun.

Local Police Department Acquires Firearms Tester

A new piece of equipment recently acquired by the Granite City police department may prove to be a valuable asset, it was pointed out today by Chief of Detectives James R. Lowder.

Chief Lowder pointed with pride to a firearms testing box which was made locally by a carpenter. He explained the box is used to obtain slugs from the gun of any person suspected of a crime.

The slugs, along with bullets found at the crime scene, are sent to FBI and state laboratories for comparison.

"It's not ballistics testing," Chief Lowder added, "that's the study of laws governing the motion of projectiles shot from firearms or artillery. This is what is known as firearms testing."

The box, which is kept at the police department's new firing range, is constructed of heavy

plywood and has a slide-type double-door lid. The opening into which a gun is fired is stuffed with white cotton and the firing is done from a distance of three or four feet.

Inside the box, industrial waste is packed to prevent the slug from being damaged. About two inches apart are cardboard partitions, which aid in clearing a slug.

Chief Lowder explained that after a test firing, one of the cardboard partitions is pulled out and if it has a hole in it, the next one behind it is then pulled and the process repeated until one is found without a hole.

"Then we know in which section the slug has stopped," he emphasized the testing box not only will aid in determining the guilt of a crime suspect, but also will be of great assistance in clearing the innocent.

Pinball Firm Must List Stockholders

A St. Louis pinball distributing firm will be required to submit a list naming all individuals owning 1% or more of its stock, according to a decision made Monday night by Granite City council members.

Central Distributors, Inc., made its original application to the city after buying the local firm formerly operated by Ralph Abrams, but failed to comply with the city ordinance requiring a corporation's list of stockholders.

The decision was made after City Atty. William Beatty advised the council the company's second reply, listing only the officers, was not sufficient.

Without modern adequate wiring, no home is up-to-date

Put modern wiring at the top of your list when you're considering home remodeling. Because any home can have adequate wiring—and no home is truly modern without it. This means plenty of circuits for all your appliances and lights. Generally at least eight circuits including 240 volt circuits for major appliances. And plenty of convenience outlets throughout the house.

It's easier and more practical, too, to re-wire before remodeling, rather than after.

Ask your bank or savings and loan about easy monthly financing plans for modern wiring.

CITY VOTING PRECINCTS which will be used in Saturday's city court election instead of county precincts are shown in the above outline map for the convenience of voters. Because of the difference in numbering of the city's 21 precincts and the county's 24 precincts for Granite City,

most voters must ignore the precinct number on their county voters registration card for Saturday's election. It is not necessary to be registered to vote. The city set up its own precincts when the Eighth Ward was established a number of years ago.

County Has Funds For Juvenile Home Project

A Juvenile Detention Home committee of the Madison County board of supervisors believes that enough funds realized from county sales taxes are currently available to begin a project for the erection of a home for juveniles.

Meeting recently in Edwardsville, the committee members said \$23,703, representing 60% of county sales tax revenue collected in October and November of 1959 and the first two months of 1960, is available to begin such a project.

County Judge Michael Kinney, long and advocate of such a home, attended the meeting, together with County Juvenile Probation Officer James Reidelberger, Board of Supervisors Chairman Gus Haller and County Auditor John Kraynak.

Judge Kinney has stated that the home should be able to accommodate 20 individuals in the beginning and should be constructed with provisions to double its size.

The detention home committee plans to hold a joint meeting with the county board Building committee to discuss the type of facilities required and a location for the building. Current committee plans call for a modern structure, chief purpose of which would not be to jail or reform school, but instead a place where juveniles and wayward children could be detained in comfort pending court action.

At the present time, juveniles are detained with persons being held in the county jail, and Judge Kinney has spoken out against the arrangement in that it allows young persons to associate with hardened criminals.

Madison county has no juvenile court, but over 1300 juvenile cases were heard in the county court last year. Judge Kinney said about one-third of these required court action.

No-Parking Zone Proposed On Benton St.

LEST WE FORGET
THIS IS MR. SCHUMAN'S EXPERIENCE AND RECORD ON WHICH HE SEEKS YOUR VOTE
Following are word by word quotes from the St. Louis Post-Dispatch and Press-Record on the dates indicated during Mr. Schuman's tenure as State's Attorney, shortly before he became Judge of the City Court.
St. Louis Post-Dispatch—Nov. 11, 1955—
"Gambling exists only where somebody is paid off for protection, Governor William C. Stratton declared yesterday in a sharp rebuke to law enforcement officials in Madison County."
St. Louis Post-Dispatch—Nov. 15, 1955—
"Charges by Governor William C. Stratton that gamblers pay off officials in Madison County to keep operating were termed 'ridiculous' today by State's Attorney, Fred P. Schuman of Madison County. In a statement last week following gambling raids by State Police, the Governor was particularly critical of Madison County, which he said was notorious for its open gambling. Schuman today said, "This County now is as clean as it has ever been."
Granite City Press-Record, Editorial—Feb. 9, 1956—
"It is likely that friends of Wortman and the Prevue will try to put pressure on the liquor commission to renew the licenses, arguing that charges against the licensees were dismissed on the State's Attorney's (Fred P. Schuman) recommendation, and pointing out that no direct connection between gambling operations and the night club was proved."
Granite City Press-Record, Editorial—Feb. 20, 1956—
"The Club (Prevue) has been issued a brand new liquor license, although a citizens' group is considering appealing the action. In the past there has been some indication of 'kick-backs' but there can be little argument that the responsibility for renewing the license and for allowing gambling at Club Prevue rests somewhere among Liquor Commissioner Moller — Sheriff Ogilvie and State's Attorney Schuman. The Commissioners' denial of liquor licenses, the Sheriff is supposed to enforce the law and the State's Attorney handles prosecution."
St. Louis Post-Dispatch, October 23, 1956—
"If the State's Attorney and Sheriff won't act in these cases, Judge said, I will as a private citizen. Judge has said that Sheriff Kenneth T. Ogilvie and State's Attorney, Fred P. Schuman, are permitting the "joints to run to build up a war chest to defeat me at the coming election."

MHS Talent-Fashion Show High Scores For Entries By GCNS Scheduled Friday Night Vocational Pupils

Over 80 students from Madison senior high school will present a combined talent and fashion show to benefit the "Whirlpools," a mixed quartet, which is featured.
During the tour of off-broadway entertainment spots, which will be conducted by "man about town" Eidon Jackson and two "town" Patricia Stary and Valerie Jo George, seven varying dance numbers will be presented to the audience.
They include a Latin-American tango, three modern dances, a French can-can, a "spaceman" dance and a high hat and taitai dance duet by Doris Ledbetter and Donna Dowitt.
Flautist Paul Brawley will play excerpts from George Gershwin's "Rhapsody in Blue," and additional variety will be provided by a rock-and-roll quartet, beatnik baton duet, comedy skit, and the reading of Edgar Allan Poe's "The Raven" accompanied by a bongo drum duet and rhythm section.
Twenty students will model spring fashions from Tri-City shops in a fashion show during the cast or the yearbook staff, or at the door.

Madison, Venice Project Minimum Rent To Rise

Minimum monthly rent is being increased from \$28 to \$33 at a new public housing project operated by the Madison County Housing Authority. It was learned this week from Dute F. Branner, executive director.
The minimum family charge is the only rate being changed, Branner said, adding that the step was necessary to meet operating costs. A \$4 monthly allowance will continue at the Garesche Homes in Madison and Viola Homes in Venice, where occupants supply their own coal.
The higher minimum will go into effect June 1 for present occupants of apartments in the Garesche, Viola Jones, Grenzer, Venice and Lee Wright projects here, Branner reported. It will be effective immediately for any new tenants as they begin occupancy.
The increase brings the minimum on the rate schedule closer to the minimum in effect for families receiving public assistance funds, the director noted. Rent figures vary for each family, according to income and the size of the family.

Mitchell Kiwanis Seeks Aid In Getting Water
Mitchell Kiwanis members decided at their meeting Monday night to urge residents of the Mitchell Water District to write Congressman Melvin Price asking him for aid in getting city water for the area.
The club also discussed sponsoring a flower contest for Girl Scout Brownie District 4 in the Mitchell area and voted to send two boys to summer camp.

Ground-Breaking May 1 First Assembly Of God To Build New Sanctuary

Ground-breaking ceremonies will be held Sunday, May 1 for the new \$152,000 sanctuary building of the First Assembly of God Church, to be built next to the present structure at 24th street and Grand avenue.
Construction will start June 1 and the church is expected to be occupied in one year, according to Rev. Paul A. Evans, pastor. The present building will be used as an education building after it is remodeled when finances permit. The congregation has a membership of 450 men, women and children.

The First Assembly of God Church originated with a tent school, and the first meeting place was in an abandoned school house on West 20th street. The congregation moved to various locations until the present property was purchased in 1921 and a building was constructed in 1924. A two-story educational unit was built in 1952.

First ratings were earned at Macomb by Norville Baker, architectural drawing of a vocational shop building; Edward Strauss, machine drawing of a bench punch; John Danco, Albert Delaloye, Donald Dillard, Gary Johnston and John Pless. Seconds were received by Paul Lingle, welding drawing of a drafting table; William Braundner, cabinet drawing of a tool chest; Charles Wise, machine drawing of a drill vice; Kenneth Misselhorn, capacity relay; Larry Wolford, photo cell relay; and Dan Crider, small wooden chest.
Third ratings were received by Donald Gray, electronics drawing of an amplifier; Don Sinclair, bongo drum; Robert Marlin, foot stool. Honorable mention went to Pete Novackich, bongo drums; James Cantlon, foot stool; and Robert Schroeder, foot stool.

City To Proceed With School Traffic Lights

Installation of electric traffic signals at 20th and Benton streets, to provide protection for grade school pupils crossing busy 20th street (U.S. Highway 67A), will be approved by the state once the city submits copies of regulating ordinances to the state highway department at Springfield, according to a letter received from the state during Monday night's council session.

WEEKLY NEWS LETTER
NOW YOU CAN BE THE JUDGE
On Tuesday, April 26, 1960, the Circuit Court held that a suit can be filed to oust Fred P. Schuman from his Levee Board job, but that the suit must be filed by the State's Attorney as a Quo Warranto suit. At the same time, on a Schuman technicality, it dismissed the taxpayers' suit we filed to cut Schuman off the Levee Board payroll. This is only the first round,—we have already requested the State's Attorney to file this suit.—YOU, the taxpayers and voters can win the second round by going to the polls on Saturday and voting for the Citizens Anti-Levee Board Party. Don't let Schuman continue to collect double money from the taxpayers.
We have been asked to state our qualifications by which we seek these offices—here they are:
Calvo is respected and admired by his fellow attorneys for his ability and integrity as evidenced by his selection as president of the Tri-City Bar Association and is an outstanding, aggressive, able, young lawyer.
He was one of the organizers of the Citizens for Moral Decay. (This organization succeeded in having the City Council pass an anti-smut ordinance.)
He is the lawyer for Paddlers, Inc. (He did all the complex legal work for this outstanding organization without fee.)
He was one of the original leaders of the Great Books Program.
He was former Chief Title Attorney for Home Abstract and Title Co.
Calvo was also former Estate Tax Examiner for the Federal Government.

Former Local Barber, Frederick Reber, Dies

A former Granite City barber, Frederick L. Reber, 85, of Long Beach, Calif., died in Veterans Hospital in Long Beach of an apparent heart attack at 6:30 a. m. Tuesday. He had been suffering from a stomach ailment and had been in the hospital three weeks.

A native of Switzerland, Mr. Reber moved to Granite City in 1899 and operated barber shops at various locations, the last being at the corner of 19th street

and Delmar avenue, until he moved to California in 1930. He was a Spanish-American war veteran.

Mr. Reber's son, J. L. Reber of Granite City, is shop foreman at the Press-Record. He is also survived by his wife, Mrs. Midge Reber; another son, Harry Reber of Granite City; a daughter, Mrs. Frederick Koelling of LaDue, Mo.; four grandchildren and seven great-grandchildren.

Services were held at 3 p. m. today in Long Beach with interment in a cemetery there.

URGES LARGE TURNOUT FOR SUNDAY ELECTION
Mr. Townsend:

With your permission, I would like to express my views on the School Board election of April 9th and also on the coming Judge, election on April 30th.

The School Board is a group of citizens entrusted with the education of our children and has a budget of \$4,500,000 of public funds. Yet how many people look the time to vote? How many expressed their choice by the means of the ballot? The number is shameful. Only 2163 out of an approximate 25,000 voters performed their duty and exercised their right by voting.

Failure to vote in any City Election seems to tell the candidates who are running for the city office, that the citizens do not care how their city is run by its elected officials. I know this is not true. Most of us fall to vote because we do not take the time, not because we do not care.

On Saturday, April 30th we are asked to go to the polls and elect a City Judge and a Clerk of the City Court. This is one of the most important elections held in this or any city. Here in our City Court are tried Civil Cases and the most important are Public Liability. We, as citizens of Granite City, never know when one day it might be necessary for any of us to use the facilities of the City Court. It could have a direct bearing upon our daily lives. This makes it even more imperative that we elect the most qualified candidates for the City Judge and for the City Court.

Too often, in this great land of ours, we evade our right and duty as a citizen and fail to cast our ballot for the candidate of our choice. I would like to urge all the people of Granite City to take the few minutes necessary to cast a ballot this Saturday. Vote in every election. Vote for the candidate of your choice. Express your opinion at the polls. It is your right and duty.

Edward Hensons To Observe 50th Anniversary

Mr. and Mrs. Edward J. Henson, 2533 Grand avenue, will observe their golden wedding anniversary Sunday, May 1, by holding open house for friends and relatives at the YMCA.

Mr. Henson is 69. His wife is 72. They were married in Grand Tower, Ill., and have resided here since 1924, moving to Granite City from Ave. III. Before retiring, he was employed as a carpenter foreman by the Union Starch & Refining Co.

The couple has a son, Paul, of Collinsville, a daughter, Mrs. Mildred Farrar of Henderson, Ky., and four grandchildren, all of whom will take part in the celebration.

Mrs. Coolidge Hostess For PEO

Chapter HT of the P.E.O. Sisterhood met Monday evening in the home of Mrs. Helen Coolidge, 2325 Delmar avenue.

After a dessert course, Mrs. Mary Miller, president, conducted a brief business session, during which plans were made for Mrs. Miller to attend the state P.E.O. convention in Rockford over the weekend.

The program for the evening was given by Mrs. Joy Walters, who discussed materials and a services available at the Granite City public library.

An afternoon meeting is planned for the two o'clock Monday, May 9, in the home of Mrs. Harold Kaiser, 1313 Garfield avenue. Seventeen were in attendance at Monday's meeting.

Lesche Club Hears Talk On White House

Lesche Literary Club members were guests in the home of Mrs. Clyde Lester, 2729 Washington avenue, Tuesday.

Mrs. E. E. Veihl, vice-president, conducted the meeting following a dessert luncheon, and routine matters were discussed. Reservations were closed for the next day meeting May 5.

The program for the afternoon was given by Mrs. Irwin Frohbart. It consisted of a montage, the talk centering on the White House, the president, and a history of the various candidates for president and their wives.

The May 5 breakfast of the club will be held May 24 in the home of Mrs. E. E. Rouland, president, 2628 Benton street.

Seventeen were present Tuesday, including three guests, Mrs. Lee Stevens, a former member, Mrs. Herbert Thureau and Mrs. Verne Barnett.

YOUTH NO PROBLEM FOR CITY JUDGE

After reading the flood of ads, handbills and posters on the City Judge election for Saturday, I have finally boiled the issues down to this—the limited experience of Mr. Calvo against the past record of Mr. Schuman.

Since this will only be election to the City Court and not the Supreme Court, Mr. Calvo's youth should not be held against him. After all, some of our great states have governors no older than he.

Mr. Schuman, on the other hand, appears disgraced to me by his public record as State's Attorney and currently as Levee Board Attorney and deserves to be retired long enough to revise his political ethics for holding public office.

WILL ATTEND MOTHERS DAY ON U. OF I. CAMPUS

Three Granite City mothers, Mrs. Oswald Fritzsche, 2800 East 24th street; Mrs. Martha Spudich, 3123 Hill avenue; and Mrs. Maude Ruckrigel, 2633 East 27th street, will be guests of their sons at the Campus Mothers Day weekend at the University of Illinois.

The students are Ray Fritzsche, a member of Beta Sigma Psi fraternity; James Spudich, whose fraternity is Phi Kappa Tau; and Robert Ruckrigel, a member of Delta Phi.

Events of the weekend include scholastic and military honor presentations, introduction of the May Queen, spring musical "Guns and Dolls" University Theatre production, "You Never Can Tell" and many others.

In addition to all-campus activities, fraternities will present programs of serenades, social hours, and other activities to show the mothers student life at the university. Fifty-seven social fraternities maintain chapters in Illinois, fraternity capital of the world.

8-More Days For Voters To Become Registered

Voter registration, resumed after the county primary election, is being continued this week by deputy registrars in the Quad-Cities. It is scheduled to end again on May 7 due to the June 6 Judicial election, in which Harry Hensley is unopposed for re-election to the state supreme court.

Persons holding voting cards with a July 31, 1960, expiration date will automatically receive a new card from the county clerk on that date, and no action by them is required as long as the address on their present card is correct. Any address changes may be noted on the reverse side of the card and mailed directly to the county clerk in Edwardsville prior to May 7.

200 Expected To Attend Youth Rally Here Sunday

Approximately 200 young people of high school age from the more than 50 churches in the Alton Presbytery are expected here Sunday for the Spring Rally of the United Presbyterian Youth to be held at First United Presbyterian Church, 22nd street and Delmar avenue.

Registration will begin at 2:30 p. m., the \$1 fee including the price of the evening meal.

The Presbytery comprises a territory about 50 miles around Granite City on the Illinois side. Each local church has its fellowship group, which usually meets once a week for worship and discussion.

The UPY has three rallies a year in different locations. In June, the group will have a conference for one week at Blackburn College, Carlinville.

Evel Thuman, the speaker at the local rally on Sunday will address the young people on the topic "Are You Ready?"

In the evening there will be a worship service conducted by members of the First Church Fellowship, with music by the Chapel Choir. The climax will be a Communion service.

McKinley Chief Toll Collector Plans To Retire

Claude E. Moore, 632 Lincoln avenue, Venice, chief toll collector of the McKinley Bridge, will retire Saturday, effective with the end of the current fiscal year of the city of Venice.

Moore has been on the McKinley Bridge collector staff for 37 years, including 35 1/2 years with the Illinois Terminal Railroad and a year and a half as an employee of the city, which purchased the bridge from ITR in November 1958. He has concluded his active service and currently is completing vacation time.

A replacement as chief toll collector is expected to be named.

ed for the new fiscal year beginning in May. As the only holdover from the previous staff, Moore trained the new collectors in their work.

A native of Coffeen, Ill., Moore moved here in 1923. He resides at the Lincoln avenue address with his wife, Ethel. There are nine children, 23 grandchildren and four great-grandchildren.

Moore retired somewhat earlier than he originally planned due to a back injury suffered recently. He will continue residing in Venice but plans to spend some time at his 55-acre farm east of Coffeen.

Nothing would satisfy the person who is habitually discontented.

VHS Chorus Performs For Student Bodies

The Venice high school chorus presented the first concert of the year for students of Venice grade and high schools at 10 a. m. Tuesday at the VHS auditorium under the direction of Miss Alice Furdie.
